Dear partners,

Our new application form for 2019-2020 for incoming and double-degree students is available on the following link :

<http://www.insa-strasbourg.fr/wp-content/uploads/Application-form-for-incoming-students-2019-2020.doc>

Please mind our application deadlines :

- applications for the second semester (January to May) : until October 15th 2019

We kindly ask you to forward this information to your students. We would prefer to receive the applications from your international office rather from the students directly (unless they have been announced previously by their university or unless they put the international office of their university in copy).

Looking forward to receiving your applications,

Best regards from Strasbourg !
