Dear Partner and Colleagues,

Last day to wish you a *happy and prosperous New Year 2020 !*
Thank you for all your support and cooperation throughout the years!
Looking forward to working with you in this new year!

We would like to take this opportunity to promote our new program for exchange students:

INTERNATIONAL SEMESTER
fully taught in English
offered in civil, mechanical, industrial, sensorial (physical) engineering
from September 2020 to January 2021 (and the following years!)
(with free of charge French for beginners lessons from August 26)

- You can download the full syllabus of this program here (with description of each module): https://www.enise.fr/media/files/pdf_relationsinternationales/ENISE_International_Semesters_2020_syllabus.pdf
- And also our international students handbook (with practical informations to prepare their mobility at ENISE): https://www.enise.fr/media/files/pdf_relationsinternationales/ENISEInternationalstudent_guide.pdf
- To promote our beautiful city, here is finally a nice video of Saint-Etienne (student city with very low cost of living): https://www.youtube.com/watch?v=vz_X_BrQZXM

Should you need any further information, some paper documents/flyers/posters per regular mail or videoconference for you or your students, we remain at your disposal.

With all best wishes from ENISE, Saint-Etienne, France,

For ENISE international team,
Emilie FAVIER-DOMINGUES
