Dear student, Dear Coordinator,

TalTech prepares for **Spring Semester 2021 (25.01.21-13.06.21)**. You are welcome to TalTech!

[Orientation days](#) January 21.-22.2021

Lectures January 25th - May 16th 2021

Exams May 17th - June 13th 2021

Before sending your application, please be sure that:

- the dates (above) of the semester are suitable for you (for arrival, departure and getting the Transcript of Records)
- does your home university accept [Grading system at TalTech](#) – Some courses have non graded passed/failed assessment
- do you find suitable courses at your study level and field from our exchange offer: [Courses in English](#). The offer will be ready in the middle of October.
- do you have [English certificate at B2 level](#)
- [TalTech does not offer individual supervising \(thesis, project etc\)](#)

Find your online [Application](#) here

University [Accommodation](#) offer

[Visa](#) for non-EU students.

The application deadline for Spring Semester is **November 15th 2020**.

The [online](#) Letter of Acceptance will be sent to you and to your Coordinator within four weeks [from](#) November 15th, once we have checked the applications in the order as they were sent to us. Please attach all the required documents to ensure your application has processed in time. Academic Transcript with your study results at TalTech is going to be sent in July 2021.

As Covid-19 virus has affected us a lot and may change our life suddenly, we have collected relevant links about Taltech and Estonia at [our web site](#).
