

## Sign -in to Examinations

 **ATTENTION:** a registration for the Prerequisites for examinations and/or examinations is only possible if the module registration was made before. (Please check the instruction to "Sign-in to the Modules")

 Registration for Examinations is only possible within the period of Enrollment.

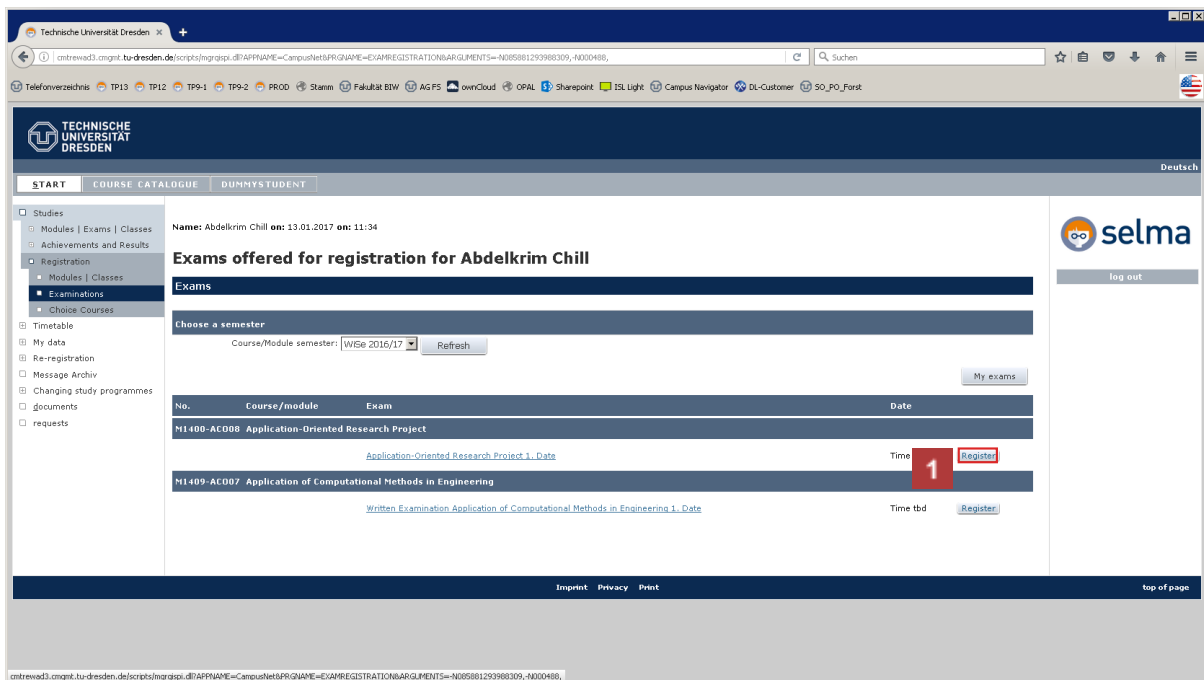

The screenshot shows a web browser window displaying the student portal of Technische Universität Dresden. The page is titled "Welcome, Abdelkrim Chill!" and shows the user's name and login time. The main content area is divided into sections for "Activities for: 13.01.2017", "Today's Events:", "Incoming messages:", and "You have no new messages!". A red box with the number "1" highlights the "Studies" link in the left navigation menu. The "selma" logo is visible in the top right corner, and there are "log out", "Schedule", "Export", and "Archive" buttons.

**1** In the navigation, click on **Studies** under the tab "Start".

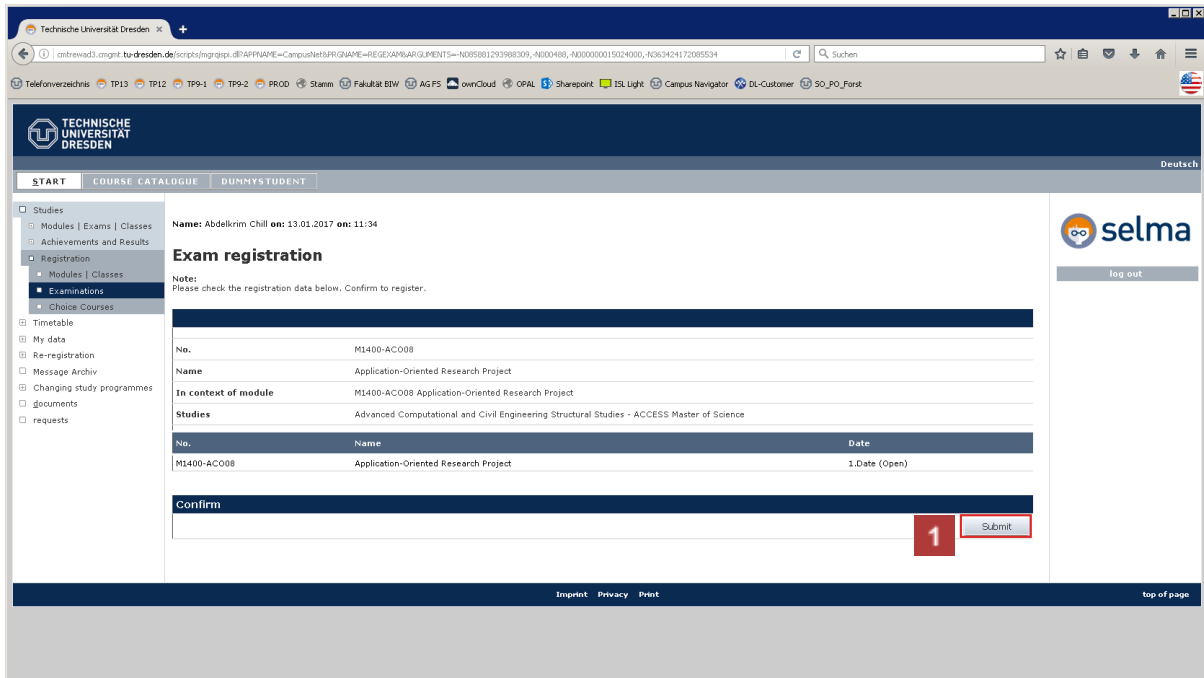

1 In the navigation, click on **Registration** (Studies -> Registration).

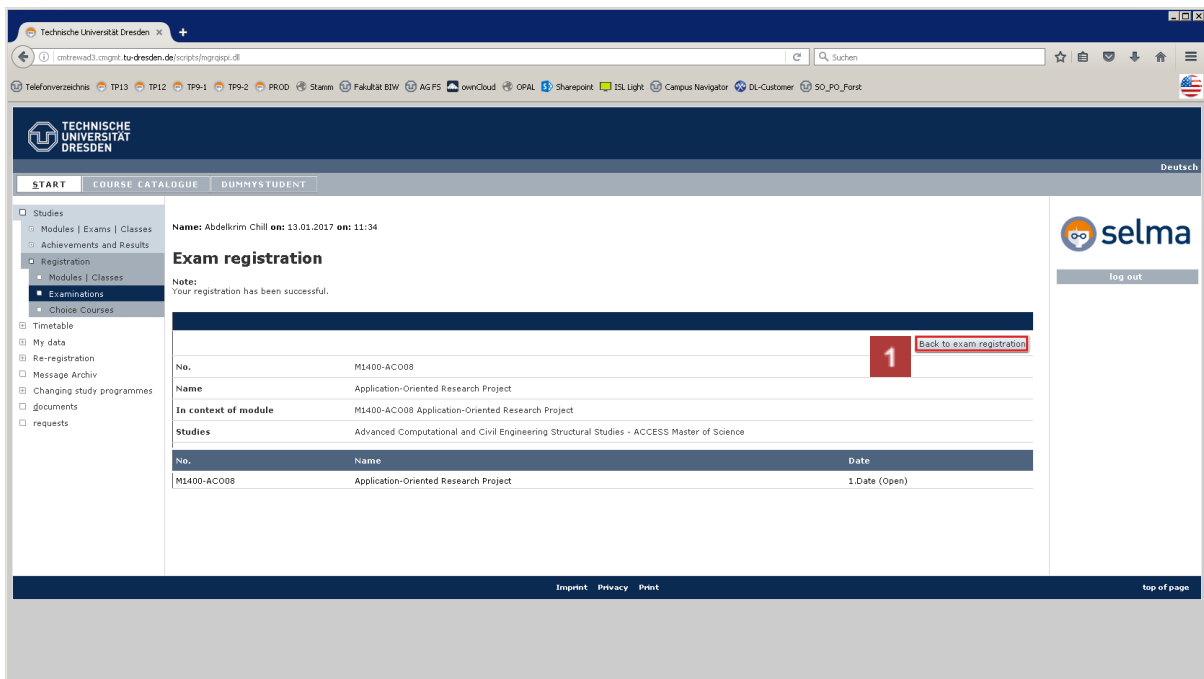

2 In the navigation, click on **Examinations** (Studies -> Registration -> Examinations).

1 Select the requested examinations and click on the button **Register**. (Here, for example, Application-Oriented Research Project 1. Date)

1 Please check the correctness of the examination registration and click on the button **Submit** to register for the examination.

1 Please make sure that your sign-in has been completed and click on the button **Back to exam registration**.

For the registration of further examinations, proceed as described above.

If you have any problems, please contact our office for Students Affairs.
