

**Application for Determination of Special Suitability for the Master's Program in
Geoinformatics**

Last Name:

Email:

First Name:

Phone:

Date of Birth:

Place of Birth:

1. Did you earn a Bachelor's degree in "Geodesy and Geoinformation" or a Bachelor's degree in "Environmental Informatics" at TU Dresden?
 Yes (Certificate is attached) No (Continue with question 2)
2. Do you hold a bachelor's or master's degree in geography, geoinformatics, geodesy, geomedia technology, cartography, computer science, or media informatics - or a comparable degree - with specialized knowledge in mathematics, geoinformatics, cartography, photogrammetry, and remote sensing?
 Yes (Certificate is attached, continue with question 3) No (Continue with question 4)
3. Have you earned **at least** 55 credit points in your degree program in the fields of mathematics, computer science, geoinformatics, cartography, photogrammetry, or remote sensing, provided that the course content does **not** overlap?
 Yes (Fill out Appendix 1) No (Fill out Appendix 1, continue with question 4)
4. Do you have any special professional qualifications, such as relevant professional skills or outstanding thesis work?
 Yes (Fill out Appendix 2) No

By signing below, I hereby confirm that all the information provided is true and accurate.
