□ Websites : <http://www.albaath-univ.edu.sy>

Established In 1979,

Al Baath University was established with 2 preexisting colleges and 1 institutes:

- The higher institute for chemical & petroleum engineering in Homs City.
- Faculty of science in Homs City.
- Faculty of veterinarian medicine in Hama City.

Now 2011.....

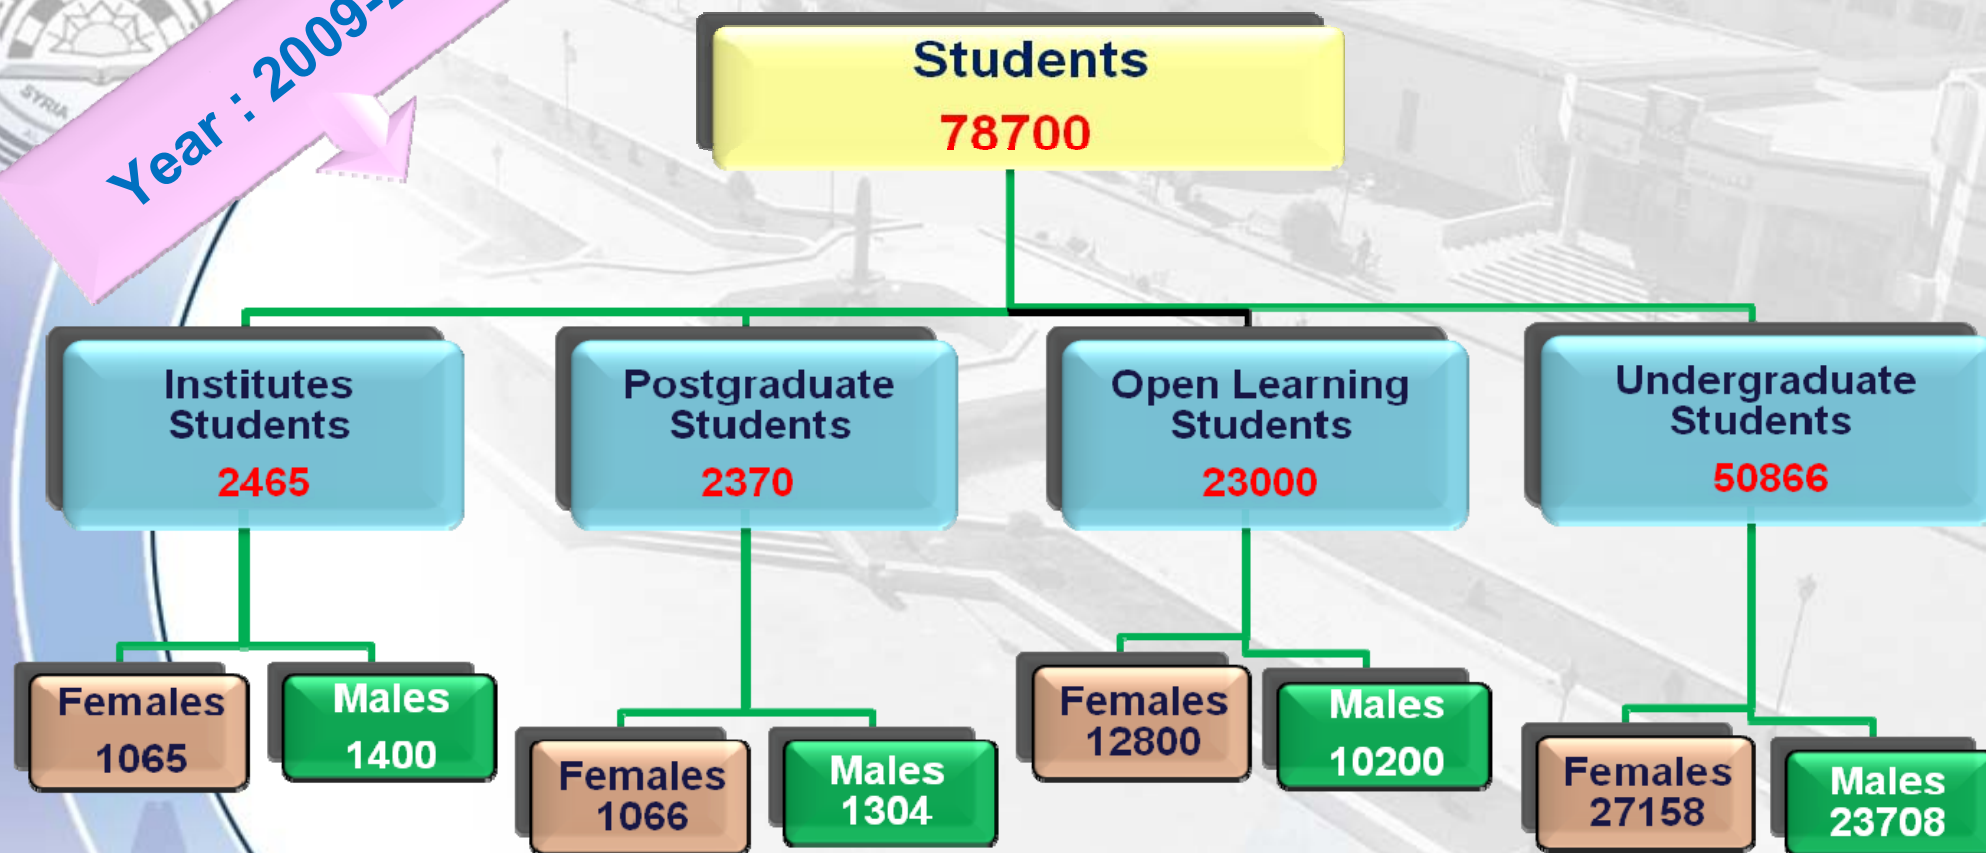

Al Baath University has.....

- 25 faculties & five intermediate institutes.
- 50000 regular students &
- 23000 students in the Open Learning Center.
- 700 staff members teaching and working on their academic research.
- **600 Teaching Assistant at the University**
- 4200 employees in all laboratories, offices and other administrative facilities.

Students

Year : 2009-2010

The number of Arab and foreign students: 2544

Faculty of Civil Engineering 1979 -2011

Departments in Civil Engineering Faculty:

- 1. Basic Science**
- 2. Structural Engineering**
- 3. Management & Construction Engineering**
- 4. Geotechnical Engineering**
- 5. Transportation Engineering**
- 6. Environmental Engineering**
- 7. Water Resources Engineering and Management**
- 8. Surveying**

With.....

- **More than 90 staff members.**
- **More than 100 assistant engineers.**
- **More than 40 laboratory employees.**

The faculty Grant Bachelorship Degrees for Graduate student

- B Sc in General Civil Engineering (5 years).**
- B Sc in Water Resources Engineering and Management (5 years).**
- B Sc In Environmental Engineering (5 years).**

The faculty grant the post graduate in One of the Main Departments the Degrees of:

- Master Degree M Sc. (2 years)
- Ph D Degree (2-3 years after master degree)

Experimental Laboratories:

- **Concrete Lab.**
- **Construction Materials Lab.**
- **Road Materials Lab.**
- **Geotechnical Lab.**
- **Hydraulics Lab.**
- **Geological Lab.**
- **Chemistry Lab.**
- **Irrigation and Hydraulic Structures Lab.**
- **Environmental Lab.**

Concrete Lab

CAD Laboratories Training & Internet for students

•Geological Lab.

CAD Laboratories Training & Internet for Staff

Hydraulics Lab

Library & Books Hall:

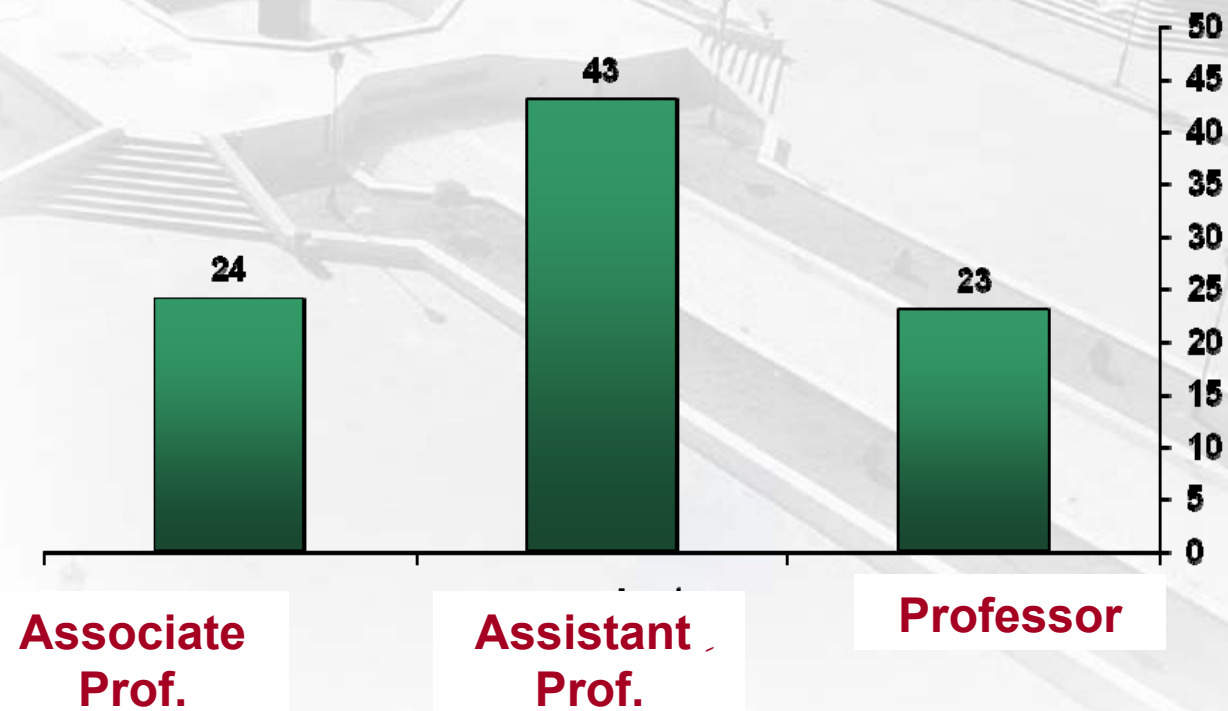

- with More than 200 students capacity.
- More than 1500 books and references.

Faculty of Civil Engineering

GRADUATES

Faculty of Civil Engineering Activities

- Applied researches in cooperation with many ministries in all fields of civil Engineering.
- Providing consultancies & Experiences for public & special projects.
- Studies, designs & tests for civil projects in all fields.
- Hosting specialist equipments & books fairs & scientific meeting.
- Providing training programs for engineers & students.

Thank You
