

LET'S PLAY!

SERIOUS GAMES

You are invited to attend a **Serious Game Session** hosted by the TUD Chair of Hydrology where the newly developed board game **MAHIZ** will be played.

Designed to analyze the farmers' behaviors regarding climate change in agriculture.

The game sessions will be held **every Tuesday and Thursdays at 15:00** starting from Tuesday, June 25th in the Neubau Chemische Institute (Bergstr. 66, 01069 Dresden), **Room 356**.

Let us know when you will like to play by filling out the **Registration form** and we will sign you up (and friends) for a game session!

Spread the Word!
Please share with your friends and colleagues!
