In conclusion, I hereby confirm that all examination results of the examinations I took in the summer semester 2021 are valid and that I do not wish to make use of the option of rejecting these examination results according to the Senate (10 March 2021) of the TU Dresden.

I am aware that

- with this declaration, a later rejection of the examination results for examinations taken in the summer semester 2021 is no longer possible and that they are therefore legally binding for me.
- with this declaration, I cannot re-take the examinations taken in the summer semester 2021 without this being classed as a second attempt.
- this declaration does not affect all rejections of examination results of the winter semester 2020/2021 and summer semester 2021 that I already declared and that are available to the Examination Office up to the present day.
