## **Statutes For the Amendment of the Examination Regulations for the consecutive Master Degree Programme**

as of 10<sup>th</sup> March 2018

On the basis of §34 para. 1 sentence 1 of the Act on the Autonomy of Institutions of Higher Education in the Free State of Saxony in the version published on 15<sup>th</sup> January 2013 (SächsGVBl. Technische Universität Dresden issues the following amendments to the statutes.

### **Article 1 Amendment of the Examination Regulations**

The examination regulations for the for the consecutive Master Degree Programme Hydro Science and Engineering of 14<sup>th</sup> February 2017 (Official Announcements of TU Dresden No. 02/2017 of 23<sup>rd</sup> February 2017, page 39) are amended as follows:

1. In the table of contents, the information on § 13 shall be amended as follows:

“§ 13 Negligence, withdrawal, cheating, infringement of regulations, waiver”

2. § Section 13 shall be amended as follows:

a) The title shall be amended as follows:

“§ 13

“§ 13 Negligence, withdrawal, cheating, infringement of regulations, waiver”

b) The following paragraph 5 shall be added

"(5) If students declare to the Examinations Office in writing that they wish to withdraw from taking an examination, this examination will be considered as "insufficient" (5.0) in the respective examination attempt. The waiver is irrevocable and requires approval in accordance with § 4."

3. § 14 sec. 3 sentence 2 shall remain unaffected.

4. § 16 sec. 1 sentence 6 shall remain unaffected.

**Article 2**  
**Entry into force and publication**

This amendment shall enter into force on 1<sup>st</sup> April 2018 and shall be published in the Official Announcements of Technische Universität Dresden. It applies to all students enrolled in the consecutive Master Degree Programme Hydro Science and Engineering.

Issued on the basis of the decision of the Faculty Council of the Faculty of Environmental Sciences of 29<sup>th</sup> January 2018 and the approval of the University Executive Board of 20<sup>th</sup> February 2018.

Dresden, 10<sup>th</sup> March 2018

The Rector  
of Technische Universität Dresden

Prof. Dr.-Ing. habil. DEng/Auckland Hans Müller-Steinhagen
