Technische Universität Dresden  
Faculty of Environmental Sciences

**Statutes  
for the Amendment of the Study Regulations  
for the consecutive Master Degree Programme Hydro Science and  
Engineering**

as of 7<sup>th</sup> September 2018

On the basis of §34 para. 1 sentence 1 of the Act on the Autonomy of Institutions of Higher Education in the Free State of Saxony in the version published on 15<sup>th</sup> January 2013 (SächsGVBl. page 3) Technische Universität Dresden issues the following amendments to the statutes.

**Article 1  
Amendment of the Study Regulations**

The Study Regulations for the for the consecutive Master Degree Programme in Hydro Science and Engineering of 14<sup>th</sup> February 2017 (Official Announcements of TU Dresden No. 02/2017 of 23<sup>rd</sup> February 2017, page 2) shall be amended as follows:

1. The following sentence shall be added to para. 1 "Part-time study is possible in accordance with the regulations for part-time study at Technische Universität Dresden."
2. In paragraph 5, after the entry "(Attachment 2)", the words "or an individual part-time study plan approved by the faculty" shall be inserted.

**Article 2  
Entry into force, publication and transitional provisions**

(1) This amendment shall enter into force on 1<sup>st</sup> October 2018 and shall be published in the Official Announcements of Technische Universität Dresden.

(2) It applies to all new students enrolled in the Master Degree Programme Hydro Science and Engineering in the winter semester 2018/2019 or later.

(3) For students enrolled earlier than winter semester 2018/2019, the current version of the examination regulations for the consecutive Master Degree Programme Hydro Science and Engineering continues to apply unless they declare their transition to the new examination regulations in writing to the examination committee. The form and deadline for the declaration will be determined by the Examination Committee and will be announced in accordance with standard faculty practice.

It applies from winter semester 2019/2020 to all students enrolled in the consecutive Master Degree Programme Hydro Science and Engineering.

Issued on the basis of the decision of the Faculty Council of the Faculty of Environmental Sciences of 27<sup>th</sup> August 2018 and the approval of the University Executive Board of 4<sup>th</sup> September 2018.

Dresden, 7<sup>th</sup> September 2018

The Rector  
of Technische Universität Dresden

Prof. Dr.-Ing. habil. DEng/Auckland Hans Müller-Steinhagen
