Hauptstr. 13, 01097 Dresden

Tel.: +49-151-22316695

Current Position(s)

Senior Researcher and Lecturer, Dresden University of Technology / Technische Universität Dresden (one of the German Universities of Excellence), Chair of Spatial Development, Faculty of Environmental Sciences, since 2005, and

Scientific Coordinator, Dresden Leibniz Graduate School (DLGS), since 2010

Educational Background

Dr. rer. nat., Technische Universität Dresden.

Master of Science in Urban and Regional Planning, University of Chile.

Diploma in Human Settlements in Latin America and the Caribbean, University of Chile-Economic Commission for Latin America, United Nations.

Diploma in Urban Economics, Faculty of Economics, Catholic University of Chile.

Bachelor in Geography, University of Chile.

Academic and Consulting Experience

- ✓ Scientific Coordinator of the Dresden Leibniz Graduate School (DLGS), since 2010
- ✓ Senior Lecturer and Researcher. Chair of Spatial Development, Dresden University of Technology (TU Dresden), Dresden, since 2005
- ✓ Senior Lecturer, International Postgraduate Training Programme on Environmental Management for Developing and Emerging Countries, UNEP/UNESCO/BMU, Centre for International Postgraduate Studies of Environmental Management (CIPSEM), Dresden University of Technology, Dresden, since 2009
- ✓ Assistant Professor, Department of Geography, Faculty of Architecture and Urban Studies, University of Chile, Santiago de Chile, 1997-2012
- ✓ Independent consultant to the Ministry of Education for the Curricula Reform Process in Chile, 2003
- ✓ Coordinator Chilean-German University Network. University of Chile, 2000-2003
- ✓ Professor, Department of Geographical Engineering, Faculty of Engineering, University of Santiago, Santiago de Chile, 1999-2003
- ✓ Expert member of the Geography Commission to Elaborate the National University Test. Catholic University of Chile, 2002
- ✓ Professor, School of Ecotourism, Andres Bello University, Santiago de Chile, 2000-2002

- ✓ Assistant Professor, Master Program in Geography, University of San Juan, Argentina, 1999-2000
- ✓ Consultant to the Santiago Metropolitan Government for the Development of a Metropolitan Sustainable Master Plan (in the OTAS Project, conducted in coordination with GTZ), Chile, 2000-2001
- ✓ Consultant to Fulcrum Engineering Consulting, Santiago, Chile, 1997-1998. Environmental and Social Impact Assessments consulting services, including assessments, EIA reports, mitigation and planning strategies
- ✓ Consultant to “Oceano Publishing House”, Barcelona for the publication of the “Encyclopedia of Chile”, 1998
- ✓ Consultant to Montealegre and Beach Architects for the Evaluation of the carrying capacity of Andre Jarland Park in Santiago, Chile, 1997
- ✓ Consultant to the Ministry of Housing for the Precarious National Dwellings Cadaster in Chile, 1996-1997
- ✓ Assistant Lecturer, Department of Geography, Faculty of Architecture and Urban Studies, University of Chile, Santiago de Chile, 1995-1999
- ✓ Consultant to the Applied Ecology Center Consulting for the Environmental Impact Assessment of the Surire Mining Plant, Chile, 1995
- ✓ Consultant to the Gas Company of Chile and the Trans-Andean Gas Pipeline Company for identifying and assessing property rights of way, 1994
- ✓ Consultant to the Ministry of Housing for Assessing the Rural - Social Housing Development Projects in Chile, 1994
- ✓ CADE-IDEPE Engineering & Consulting. Environmental and Social Impact Assessments consulting services, including assessments, EIA reports, mitigation and planning strategies, 1993
- ✓ Consultant to GESAM-Chile and Ecology and Environment, Buffalo-USA for the environmental impact assessment of the Pangue reservoir construction in the Biobío Basin, Chile, 1991
- ✓ Researcher and Participant in the Chilean 1990/91 Expedition to Antarctica, Livingstone Island, Summer 1990/1991
- ✓ Research Assistant, Department of Geography, Faculty of Architecture and Urban Studies, University of Chile, Santiago de Chile, 1987-1994

Research Projects (since 2010)

- ✓ TRANS-URBAN-EU-China. Transition towards urban sustainability through socially integrative cities in the EU and in China-Urban-EU-China. European Union Horizon 2020, co-researcher, 2017-2020
- ✓ Management of Mineral Resource extraction in Hoa Binh Province. A contribution to Sustainable Development in Vietnam. Financed by the Federal Ministry of Education and Research, Germany., co-researcher, 2014-2017
- ✓ Advanced manufacturing – why the city matters. Perspectives for international development cooperation. Chair of Spatial Development/German National Academy of Science and Engineering (acatech) for GIZ/BMZ, co-researcher, 2014
- ✓ Urban and regional resilience – a practical assessment. Chair of Spatial Development, Dresden University of Technology, Project Coordinator, 2013-2014

- ✓ Analyzing and comparing local climate change adaptation strategies in metropolitan areas - what can we learn? Chair of Spatial Development, Dresden University of Technology, Project Coordinator, 2012-2013
- ✓ Climate change adaptation. Comparison of local climate change adaptation approaches. Chair of Spatial Development, Dresden University of Technology, Project Coordinator, 2010 - 2011
- ✓ Urban resilience. Cities' reaction on changes. Chair of Spatial Development, Dresden University of Technology, Project Coordinator, 2009-2010

Experience in International Academic Cooperation

- ✓ Germany-Slovakia (University of Bratislava). Joint Master Seminar Program and student exchange. Topic: Urban revitalization in Bratislava. May 2018
- ✓ Germany-Japan (Nagoya University). Joint Master Seminar Program and student exchange. Topic: Urban development and Environmental Risk Management. The case of Tsushima, Japan. September 2016
- ✓ Germany – Latvia (University of Latvia.) Joint Master Seminar Program and student exchange. Topic: Demographic Change and Urban Development in European countries: New Challenges ahead. August 2014 and August 2015
- ✓ Germany-Turkey (Ankara University). Joint Master Seminar Program and student exchange. Topic: Cities on the way to sustainability. Sungurlu, Turkey. May, 2013
- ✓ Germany – Vietnam (National University) Joint Summer School on Environmental Planning, Land Use and Monitoring. Hanoi, October 2011
- ✓ Germany-Slovakia (Slovak Technical University). Joint Summer School: A metropolis with a green heart y. Bratislava, July 2009
- ✓ Germany–USA (The Ohio State University, Columbus, Ohio), long-term cooperation and student exchange (joint student projects). 2005 to 2012
- ✓ Chilean-German University Network (in cooperation with GTZ). Coordinator of a postgraduate training course on Planning for Metropolitan Areas, Santiago de Chile. August 2002
- ✓ APRU (Association Pacific Rim Universités). Participation III Meeting organise by UCLA, California and Peking University. August 2001

Publications (since 2010)

- ✓ Schiappacasse, P., B. Müller, L.T. Le., P.Wirth. 2018. Mining aggregates in fast growing economies. Addressing barriers to environmental policy implementation in Vietnam (forthcoming)
- ✓ Schiappacasse, P., B. Müller, L.T. Le. 2018. Towards responsible aggregate mining in Vietnam. The case of Hoa Binh Province, Vietnam (forthcoming)
