

**First Statute  
for the Amendment of the Study Regulations  
for the consecutive Master's degree program Transportation Economics**

as of January 17, 2023

On the basis of § 36 para. 1 of the Act on the Autonomy of Institutions of Higher Education in the Free State of Saxony in the version published on January 15, 2013 (SächsGVBl. p. 3) TUD Dresden University of Technology issues the following amending statutes:

**Article 1  
Amendment of the Study Regulations**

In § 6 para. 2 of the Study Regulations for the Consecutive Master's Degree Program in Transportation Economics of May 25, 2021 (Official Announcements of TU Dresden No. 7/2021 of May 27, 2021, p. 74), the following sentence shall be added: "Modules that have been completed as the two selected specializations of the specializations module group cannot be selected again in the supplements module group."

**Article 2  
Entry into force, publication and interim arrangements**

(1) This Amendment Statute shall enter into force on April 1, 2023 and shall be published in the official announcements of TUD Dresden University of Technology.

(2) They apply to all students enrolled in the consecutive Master's program in Transportation Economics in the 2023/2024 winter semester or later.

(3) For students who enrolled prior to the 2023/2024 winter semester, the version of the Study Regulations for the consecutive Master's degree program in Transportation Economics that has been valid for them up until this amendment, continues to apply, unless they declare their acceptance of the amendment in writing to the Examination Committee. The form and deadline of this declaration are specified by the Examination Committee and are announced in the usual manner. Switching to the new regulations is possible at the earliest on October 1, 2023.

(4) This Amendment Statute shall enter into force from the 2025/2026 winter semester and shall apply to all students enrolled in the consecutive Master's degree program in Transportation Economics.

Issued based on the resolution of the Faculty Board of the "Friedrich List" Faculty of Transport and Traffic Sciences as of November 14, 2022, and the approval of the University Executive Board as of December 20, 2022.

Dresden, January 17, 2023

The Rector  
of TUD Dresden University of Technology

Prof. Ursula Staudinger
