

Dresden, December 2017

## **ENERDAY-Award for Best Oral Presentation**

### **ENERDAY 2018 - 12<sup>th</sup> International Conference on Energy Economics and Technology *Market and Sector Integration – National and European Perspectives***

**Dresden, Friday, 27<sup>th</sup> April 2018**

Technische Universität Dresden, Faculty of Business and Economics, Dresden, Germany

To encourage speakers at ENERDAY conference and to upgrade the quality of presentations a competition is held for the best oral presentation of a researcher during the conference. The ENERDAY-Award is sponsored by both **enerCONNECT** (Association for the promotion of scientific work in energy economics at Technical University Dresden) as well as **GEE** (Gesellschaft für Energiewissenschaft und Energiepolitik e. V., German section of the International Association for Energy Economics (IAEE)).

The awardee is selected on site and the award recipient will be announced at the end of the conference at the conference dinner. The main criteria are the scientific quality and originality of the research, plus the quality of the presentation. A small panel of experts of enerCONNECT and GEE will evaluate the presentations and select the winners from the list of finalists. The ENERDAY-Award includes a certificate and a prize money of 500 EUR.
