

Join us for Women's Day@SAP

Are you a woman and excited about technology? Are you a female student, graduate or young professional that is curious about working for one of the world's leading IT companies? Join our **“Women’s Day@SAP”** on 18 June for the DACH Region (Germany, Austria and Switzerland) to find out more.

We are hosting a whole day of virtual sessions and you can book each session separately, creating an event program that best suits your interest.

During the day you will have the unique chance to virtually meet Sabine Bendiek, SAP's Chief People Officer and you learn why SAP has won multiple awards as an excellent employer for women. In other sessions you can find out about SAP's great programs and initiatives specifically for women.

Full Agenda 18 June:

- 09:45 – 10:00 Platform opens – grab a coffee, dial in, and sit back ready for the first session!
