AS A PH.D. STUDENT YOU SHOULD PREPARE FOR

- presenting, sharing and discussing your project in small groups, individually and in plenary sessions
- submitting and improving an abstract of your project during these two weeks
- interacting with at least one other participant, getting acquainted with his / her project and, as a dedicated listener, reader and commentator supply a constructive feedback,
- acting as a reporter for a second project and presenting the findings of the discussions in plenary session

THE TEACHERS PRESENT WILL

- deliver short keynotes on research topics
- be at your disposal to discuss with you your project
- provide you, where possible, with methodological support
- give you feedback during the workshop sessions
