Annex to the Application

### **I Personal Information**

Title

---

First name Last name

---

### **II Abstract of the doctoral thesis or abstract of the current research project (max. 1,000 characters)**

Title of the doctoral thesis or of the current research project:

---

### III Planned application for a third-party funded project at an external funding institution

- a. Please describe to what extent the planned proposal for a third-party funded project is based on your current research and further develops it. *(max. 1,000 characters)*

- b. To which funding institution or for which program do you intend to submit an application for third-party funding? Please justify your choice. *(max. 1,000 characters)*

**Note:**

A detailed description of your proposed application for a third-party funded project to an external funding institution in accordance with the program announcement including work plan and schedule for the requested funding period (max. 4 pages) must be submitted with the application documents.

#### **IV Presentation and analysis of the status of your academic career to date and outlook of your academic career goals**

- a. Please explain your career goals, considering your strengths and weaknesses [e.g. with regard to publications, third-party funding, teaching, lectures, experience abroad].  
*(max. 1,000 characters)*

- b. Please describe your future academic development plan. In addition, please answer the question how funding within the Maria Reiche Postdoctoral Fellowships can contribute to the development of your independent research profile.  
*(max. 1,500 characters)*

- c. Which additional measures and activities do you specifically plan to develop and refine your own scientific profile? (*max. 1,000 characters*)

- d. How will you cover possible additional costs that may arise due to the accompanying measures and activities? Have you applied for financial support from other sources for the accompanying measures and activities to develop and refine your own scientific profile or do you intend to apply for funding from other sources? (*max. 500 characters*)

---

**Note:**

The application for a Maria Reiche Postdoctoral Fellowship must be submitted by the deadline of **September 30, 2026**, along with all required application documents as a single digital PDF file with the subject "Maria Reiche Postdoctoral Fellowships" to the email address [graduertenakademie@tu-dresden.de](mailto:graduertenakademie@tu-dresden.de).
