Letter of Reference for the  
MRPF application of:

---

### II Since when and in what capacity have you known the applicant? *(max. 500 characters)*

**III Please characterize the early career researcher, if possible, with regard to her previous academic career, her previous research achievements and/or her scientific working methods. (max. 1,500 characters)**

**IV Additional information that could be of importance to the scholarship award decision; e.g. prizes and awards, teaching assignments, sociocultural/political activities, special family situation: (max. 500 characters)**

V The Maria Reiche Postdoctoral Fellowships support excellent female postdocs in their plans to independently acquire a third-party funded project in order to qualify for a scientific career at the TU Dresden with the goal of becoming a professor.

How do you assess the applicant's concept for the preparation of an application and the development of a third-party funded project? (*max. 1,000 characters*)

VI Degree of approval

Emphatic approval

Approval

Conditional approval
