comments):

Agreeing to the conditions of use of ZIH

The applicant acknowledges and accepts the terms of use of the ZIH of the TU Dresden (published under http://tu-dresden.de/zih , "About us", "User rules and regulations", or also as a written document at the user guidance office). The applicant agrees that his personal data stated above will be collected and automatically processed in the IDM (Identity Management System) for the purpose of accounting, content-wise configuration or the changing of ZIH services. He or she also agrees that his data is processed in regular intervals to check the affiliation to the TU Dresden, and that his first and last name might be published in system files.

It is assured to the applicant that his personal data will be used only for Directory services (Email), admission, notification and accounting purposes. Members will be deleted no later than 15 months after his retirement (at staff / students) or at the end of the login for personalized guests. Changes in the application of data given the ZIH notified immediately.

The use of ZIH resources for commercial or non-universitarian uses is prohibited. Users are responsible for themselves with regard to applicable copyright laws or the use of brand- and trademarks. The license covers the use of its staff and students over the period of their membership (feedback from the appropriate staff positions). With personalized guests use permit expires on 31 October of each academic year and must be renewed with a renewal application.
