

TUD Dresden University of Technology
Vice-Rector Research and Technology Transfer
Prof. Dr. Angela Rösen-Wolff
01062 Dresden

Application for the Status TUD Young Investigator

The Status TUD Young Investigator is awarded for a limited period. The status is linked to the position of an independent junior research group leader. It also ends automatically upon leaving the TU Dresden/upon appointment to a professorship.

An extension of up to one additional year is possible, subject to the approval of the Faculty and a written statement from them.
