Dear LL.M.-IP student,

Your mandatory stay at Keio University, Tokyo, as part of the Master's program "International Studies in Intellectual Property Law" is about to begin and you have probably already made most of the preparations for the trip and your accommodation on site. Herewith we would like to give you some information about the crediting of your studies at Keio University for your overall grade.

With the LL.M. "International Studies in Intellectual Property Law" you have chosen a one-year master's program with 60 ECTS. Your study abroad accounts for 25 ECTS of this total. The grade achieved at Tokyo counts for 25% of the master's grade.

Please note that the Keio University's credit and grading system differs from the continental European system.

1. Course selection

Regarding the lectures in Tokyo, you must take at least three full courses (2 credits). In the case of 1-credit courses, two have to be selected accordingly. You can of course take more courses, in which case we would select the (IP-related) courses in which you have achieved the best results. Students studying at Keio University have also the possibility to visit lectures at Waseda University.
