Statement of Autonomy

I certify that I have written this paper independently and have used no sources or resources other than those cited. I am submitting it for the first time as part of my coursework. I am aware that any attempt at cheating will result in a grade of "nicht ausreichend" (5.0). I am also aware that serious or repeated instances of cheating may result in my exclusion from taking further exams.

In accordance with the examiner's decision regarding the use of generative AI tools, I hereby make the following declaration, as indicated by the checkmark below. *(Please check the appropriate box)*

☐ I did **not** use any generative AI tools in the creation of this work.

☐ In preparing this thesis, I used generative AI tools in accordance with the guidelines provided by the examiner and the Department of Language, Literature, and Cultural Studies, and documented my use of these systems in accordance with the "Statement on the Use of Generative AI" (see below).

I am aware that cases involving reasonable suspicion of unauthorized use of AI tools—or use that is undocumented or inadequately documented—may be considered an attempt at deception. To clarify the matter, a preliminary discussion may take place with the relevant examiners and an observer.
