

## INCOMING

# Credit Transfer Overview

*The table below is intended to assist you in creating your learning agreement. This table lists all courses offered at the Institute of Classical Philology, along with the ECTS credits you can earn for them.*

### ***General information about the table and studying classical philology in Dresden***

Some courses are only offered in the winter semester (abbreviated as WiSe) or only in the summer semester (abbreviated as SoSe) and are marked accordingly in the table.

You may attend all courses regardless of your degree program, but please note that **all language and reading exercises ('Sprachübungen' and 'Lektüreübungen')** require a very good knowledge of Latin or Greek. All other courses (especially lectures ('Vorlesungen') and seminars) can also be taken without language skills. **Language courses for learning Latin or Greek** are offered by the language institute TUDIAS: [www.sprachausbildung.tu-dresden.de/sprachen/latein/](http://www.sprachausbildung.tu-dresden.de/sprachen/latein/) (Latin) bzw. [www.sprachausbildung.tu-dresden.de/sprachen/altgriechisch/](http://www.sprachausbildung.tu-dresden.de/sprachen/altgriechisch/) (Greek).

### ***Course catalogs***

*The course catalog not only lists all courses for the current semester, but also includes the topic of each course, a brief description of the course, and all required materials.*

The Institute of Classical Philology publishes a **PDF** course catalog and a **timetable** for all courses at:  
<https://tu-dresden.de/gsw/slk/klassphil/studium/lehrveranstaltungen>.

In addition, TU Dresden offers **dynamic** course catalogs: [kvv.gsw.tu-dresden.de/slk/bkp1/lehrveranstaltungen](http://kvv.gsw.tu-dresden.de/slk/bkp1/lehrveranstaltungen) (Bachelor's degree programm = BA), [kvv.gsw.tu-dresden.de/slk/maank/lehrveranstaltungen](http://kvv.gsw.tu-dresden.de/slk/maank/lehrveranstaltungen) (Master's programm = MA) und [kvv.gsw.tu-dresden.de/slk/lymn/lehrveranstaltungen](http://kvv.gsw.tu-dresden.de/slk/lymn/lehrveranstaltungen) (Teacher training, Staatsexamen = STEX).

**!!!** *The dynamic course catalogs are sorted according to the module numbers in the TU Dresden study regulations. Therefore, in the table below, you will find a column listing the module numbers under which you can find the respective course. If you are using the course catalog for Classical Philology, this column is not relevant for you.*

### ***Contact person***

If you have any questions about the courses offered and planning your schedule, please contact our ERASMUS coordinator Lea Wildner (lea.wildner@tu-dresden.de). If necessary, she will also refer you to the student advisory service or the lecturers responsible for the courses.

### Explanation of examination requirements

|                                |                                                                                                                                                                                                                                                                                        |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Teilnahmeschein</b>         | The certificate is awarded if at least 80% of the course has been attended.<br>No further exam is required at the end of the semester.                                                                                                                                                 |
| <b>Testat</b>                  | Written examination lasting 60 minutes, usually taken under supervision at the end of the lecture period.                                                                                                                                                                              |
| <b>Klausur</b>                 | Written examination lasting 90 minutes, usually taken under supervision at the end of the lecture period.                                                                                                                                                                              |
| <b>Referat</b>                 | Oral examination in the form of a presentation in the seminar group.                                                                                                                                                                                                                   |
| <b>Kombinierte Arbeit</b>      | This examination consists of two parts: an oral examination and a written examination, which is completed at home over a longer period of time and usually comprises 10 to 20 pages of original text.                                                                                  |
| <b>Lektürebezogene Aufgabe</b> | Written examination completed at home in the form of an essay, usually between 5 and 15 pages in length.                                                                                                                                                                               |
| <b>Mündliche Prüfung</b>       | Examination conducted in conversation with the teacher and under the supervision of another person, lasting 30 minutes.                                                                                                                                                                |
| <b>Portfolio</b>               | Examination that can be taken both orally and in writing, for example in the form of a presentation, a term paper, a discussion, or a project. The specific elements of the examination are agreed upon individually with the teacher and tailored to the topic chosen by the student. |
| <b>Kombiklausur</b>            | Combined examination in which two of the above examinations are combined into one overall examination. A more detailed explanation of this examination can be found in the blue box.                                                                                                   |

### More about ‘Kombiklausur’

The table below lists the examinations that allow you to earn **1 to 5 ECTS**.

However, it is also possible to earn **more than 5 ECTS** by combining several examinations.

Example: You want to earn 10 ECTS for a module. In this case, you may combine the exam for a lecture (Vorlesung, 5 ECTS) with the portfolio in an advanced seminar (Hauptseminar, 5 ECTS). This will give you a total of 5 ECTS + 5 ECTS = 10 ECTS.

*Recommendation: Lectures (Vorlesungen), seminars (Seminare), and reading exercises (Lektüreübungen) are particularly suitable for combining. However, other combinations are also possible.*

As **examination**, you should then note either the examinations for the individual courses or ‘Kombiprüfung’ in your Learning Agreement.

Further details on taking the Kombiprüfung will be discussed with the course coordinators at the beginning of your Erasmus semester.

If you have any questions about the combined examination, please feel free to contact our Erasmus contact person Lea Wildner (lea.wildner@tu-dresden.de) when you first write your learning agreement.

| Course                                                                                                                | Type of exam            | ECTS | Module numbers in dynamic course catalogs                                                                                                    |
