

Peer Review for *Zeitschrift für Slawistik**

Dear reviewer! Please keep in mind that *Zeitschrift für Slawistik* publishes original and high quality research papers exclusively. Thus, we greatly appreciate your fair but strict assessment.

Manuscript Title:

Overall assessment:

For example: “Recommended for publication in *Zeitschrift für Slawistik*: this is a work of originality and significance, though revisions are needed (outlined below).”

- 1. Does the article have sufficient originality and interpretive significance to merit publication in *Zeitschrift für Slawistik*?**
- 2. Is the methodology and theoretical basis appropriate?**
- 3. Will it be of value to a specialist in the field? Will the manuscript be of interest to scholars outside the immediate field?**
- 4. Is the article well written in terms of style, organization, and proportion? Does the expression, content and style of the English text correspond to the British/American/Australian etc. standard of a C1 or C2 proficient language level?**
- 5. How can the paper be improved?**
