

Language Course

“UKRAINIAN A1”

The course “Ukrainian A” introduces alphabet, the elementary grammar of modern Ukrainian language and vocabulary. It includes the four modes of communication: writing, reading, listening and speaking. The work with texts and dialogues will allow you to tell about yourself, friends, family, appearance, house, hobbies, dishes etc. You will also know about Kyiv-the capital of Ukraine and many interesting facts about Ukraine. You do not need any prior knowledge to take the course. The supporting language will be English.

Time: MI (6) 16:40 - 18:10
