

## 2°ib means:

**Studying 2 master programmes at the same time and being rewarded by 2 degrees after 2 years:**

1. Magister in the field of International Economic Relations with major in Programme of Master Studies in International Business (M. A.) at **UE Wrocław**
2. Master of Science (M.Sc.) in International Management at **TU Dresden's International Institute Zittau** and at **University of Applied Sciences Görlitz/Zittau at Zittau**.

## how is it done?

1. You apply at UEW or IHI for 1 of the both master courses mentioned above just as any other applicant.
2. At the end of your 1st semester, you apply for **2°ib** with your first grades.
3. If you get selected for **2°ib**, you study your 3rd semester at the partner university abroad.

**The complete exchange semester is taught in English!**

## universities

**Wrocław University of Economics** is an important center of education, science, and research. Its activities are aimed at maintaining and strengthening the position of the University on regional, national, European, and international levels. Our University is fully authorised to provide academic training in the area of economic and management sciences. Our didactic facilities, dormitories, sports centers (with a swimming pool, sports halls, fitness and climbing facilities), student clubs, bookshop and library are located in one campus, suitably located near the city center.

**International Institute (IHI) Zittau** was founded as a model for crossborder education by partner universities in Central Eastern Europe and offers postgraduate degree courses. As a Central Academic Unit of TU Dresden, IHI focuses on

Biodiversity and Responsible Management.

About 300 young people from all over the world study at IHI Zittau; their cultural diversity makes it a special place. At our institute, you can take advantage of the structures of a graduate school, individual support and small interconnected study groups. University of Applied Sciences Zittau/Görlitz is IHI Zittau's partner in this programme.

## what's unique about 2°ib?

**2°ib's** high-end content of 2 universities devoted to thorough and border crossing European thought.

**2°ib's** transnational campus bridges Europe!

Only some 180 km divide Wrocław and Zittau, a buzzing young 600.000-inhabitants city and a highly international, but small, cute graduate school in a historical 20.000-inhabitants town. You don't have to travel far to experience Europe's diversity!

At **2°ib**, internationality is not just a word! Special attention is paid on intercultural communication skills and practical experiences.

### **Small is beautiful**

Our small seminar groups stand for excellent tutorship and tailor-made content!

### **Practice-oriented**

Excellent career opportunities for future business leaders!

## information

### **Enrolment / Fees**

During the exchange semester all students have to be enrolled at their home institution as well as the partner university. Students participating in the programme have to pay the fees according to the partner universities' regulations.
