

**Rejection of the examination result for a scientific thesis submitted in
the winter semester 2020/2021
and the corresponding colloquium,
according to Senate Resolution no. IV of 14th October 2020/2021**

I,

Last name, first name, enrolment number

hereby reject the examination result of the scientific thesis I completed in the winter semester 2020/2021 and the corresponding colloquium:

Degree programme [Name of degree programme]	
Topic of the scientific thesis	
Date of submission [DD.MM.YYYY]	
Evaluation [Indication of the grade]	
Examination date of the colloquium [DD.MM.YYYY]	

Evaluation of the colloquium [Indication of the grade]	
---	--

I am aware that with this rejection,

- the evaluation of the above-mentioned scientific thesis and the colloquium is annulled and thus legally no longer exists.
- I may repeat the scientific thesis as the same attempt at a time of my choice, taking into account any time limits for repetition from previous attempts. If my topic was issued ex officio, this also applies to the resubmission of the scientific thesis. The regulations of the examination regulations applicable to me must be observed accordingly.
- I may repeat the colloquium as the same attempt, subject to the examination regulations that apply to me.

It should be noted that if the scientific thesis and the colloquium have been evaluated, only a rejection of the evaluation of both results is possible, even if only the rejection of the examination result of the scientific thesis is requested.
