2. Registering for a course
3. Overview/Withdrawal from a registered module or course

Preliminary Tasks

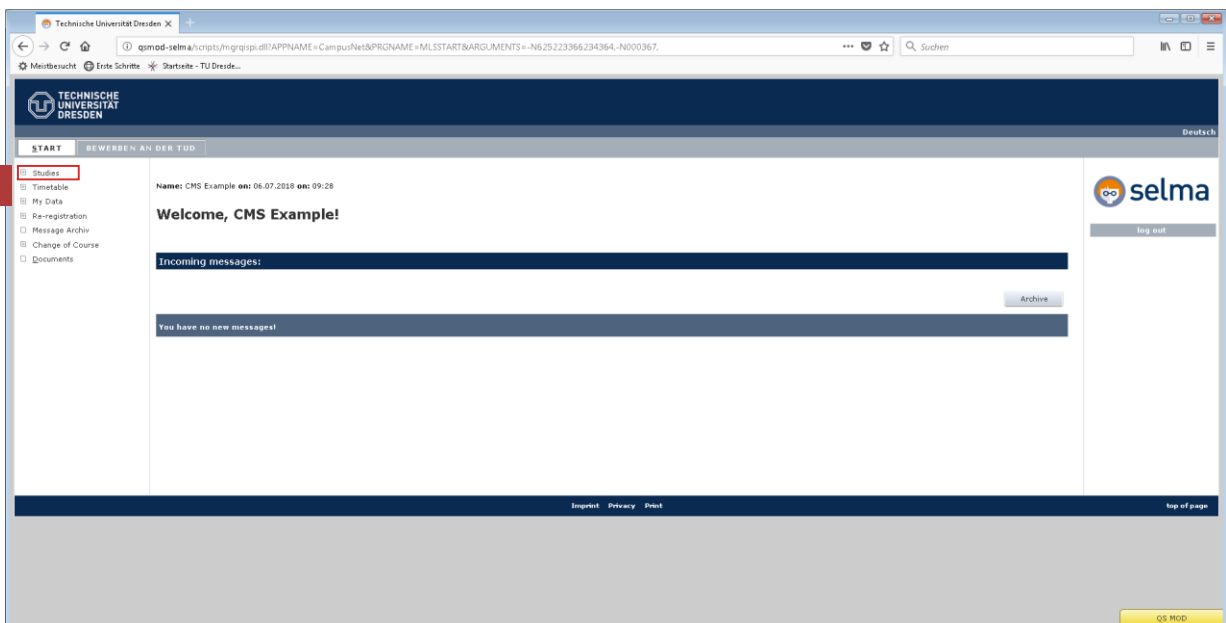

- log in to  selma (selma.tu-dresden.de) with your personal login

Additional Information

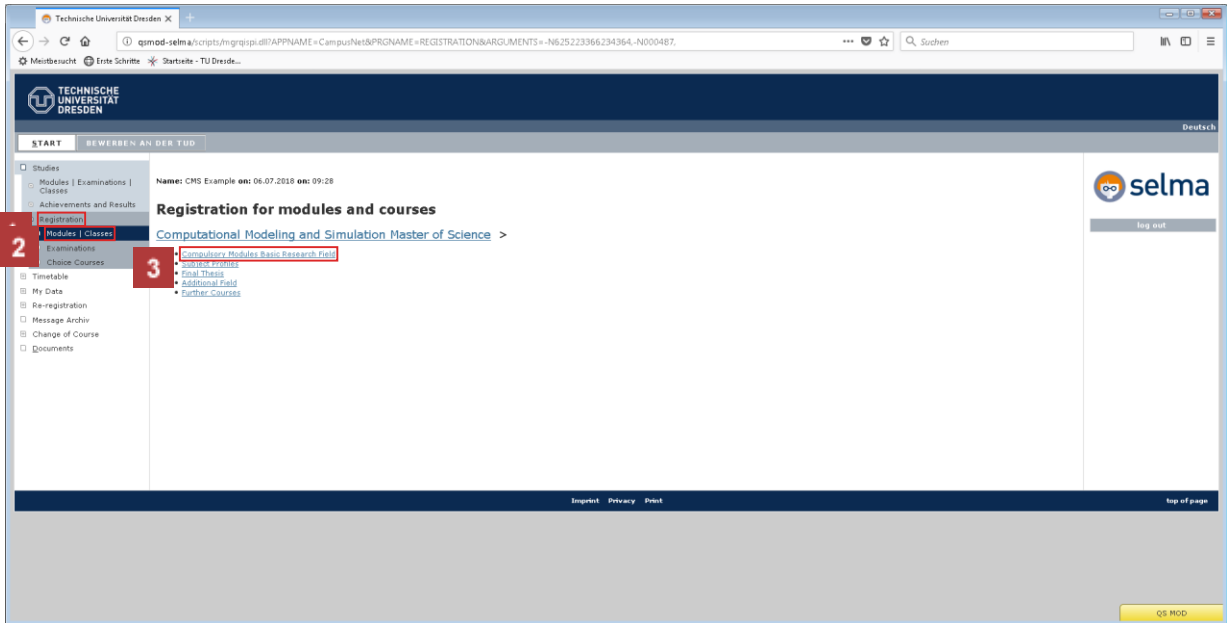

- You find an overview of the modules and corresponding courses in your study regulation and on your faculty/institute's websites

 For the sake of the environment please use the E-Learning platform und do not print this document.

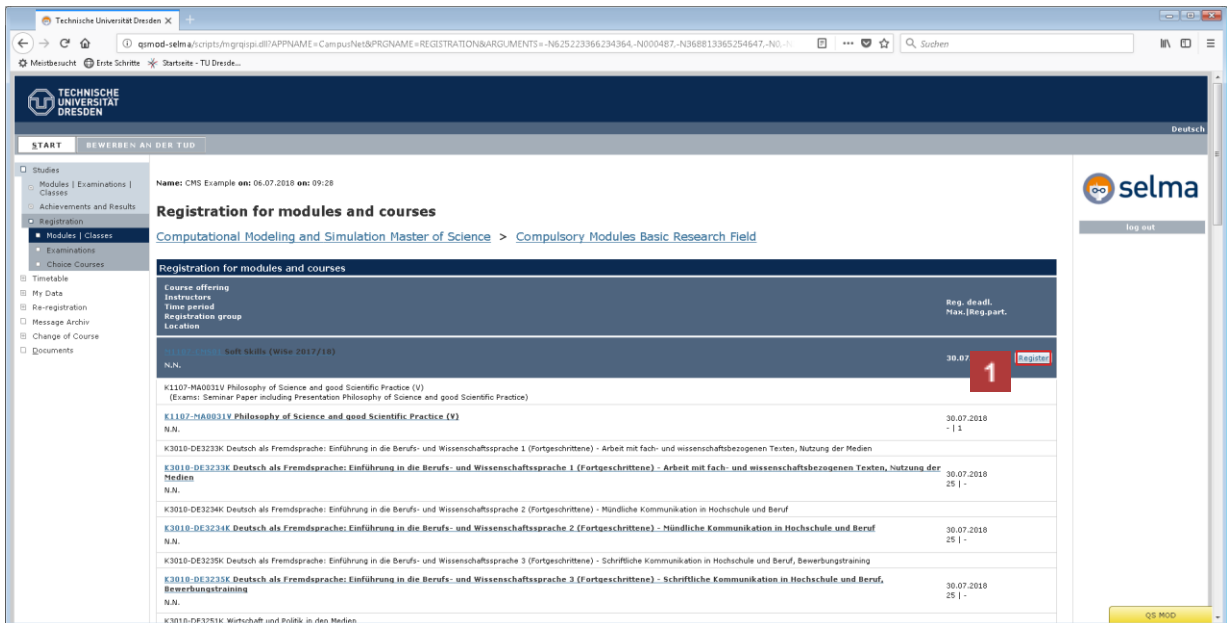

1.1 Registering for a module

1 Click on the **Studies** tab.

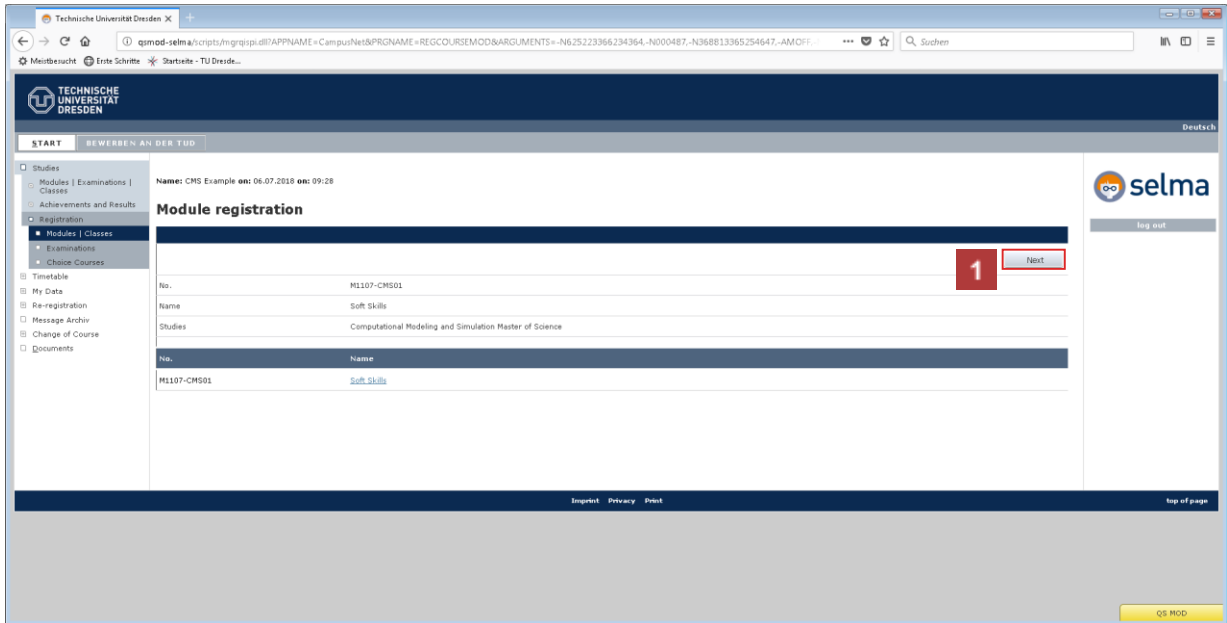

- 1 Under Studies, click **Registration**.
- 2 Under Registration, click **Modules | Classes**.
- 3 Click the required structure of the course regulations. We are using **Compulsory Modules of Basic Education** as an example here.

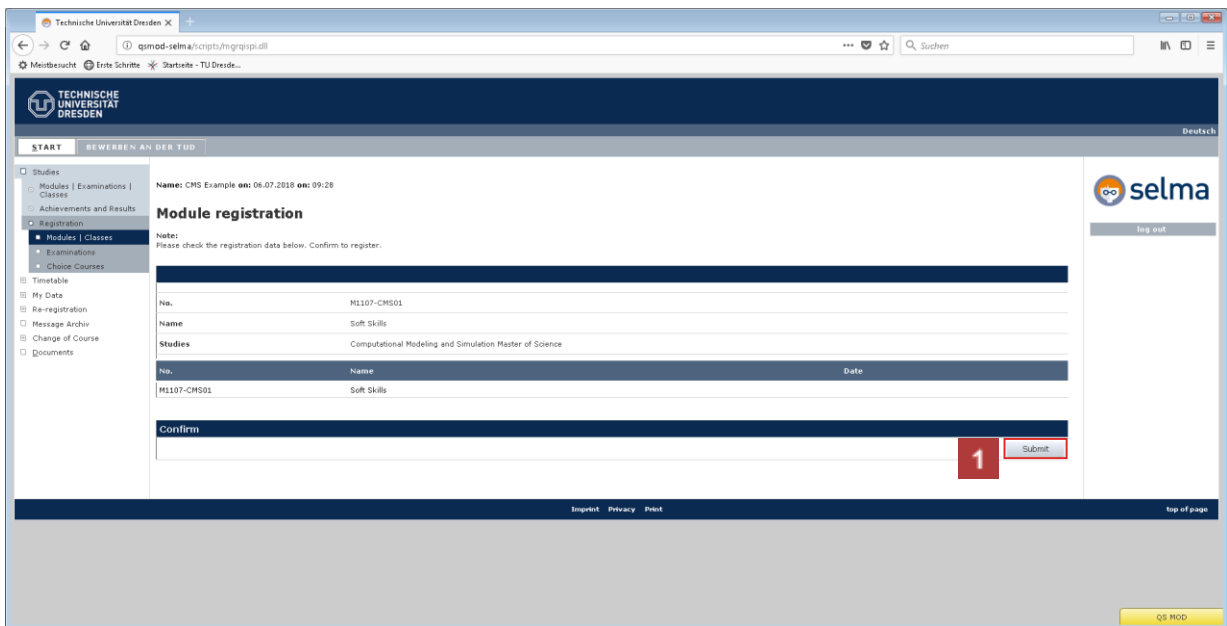

- 1 Click the **Register** button of the selected module. We are using the "Soft Skills" module as an example here.

 You must register for the corresponding module before you can register for a course.

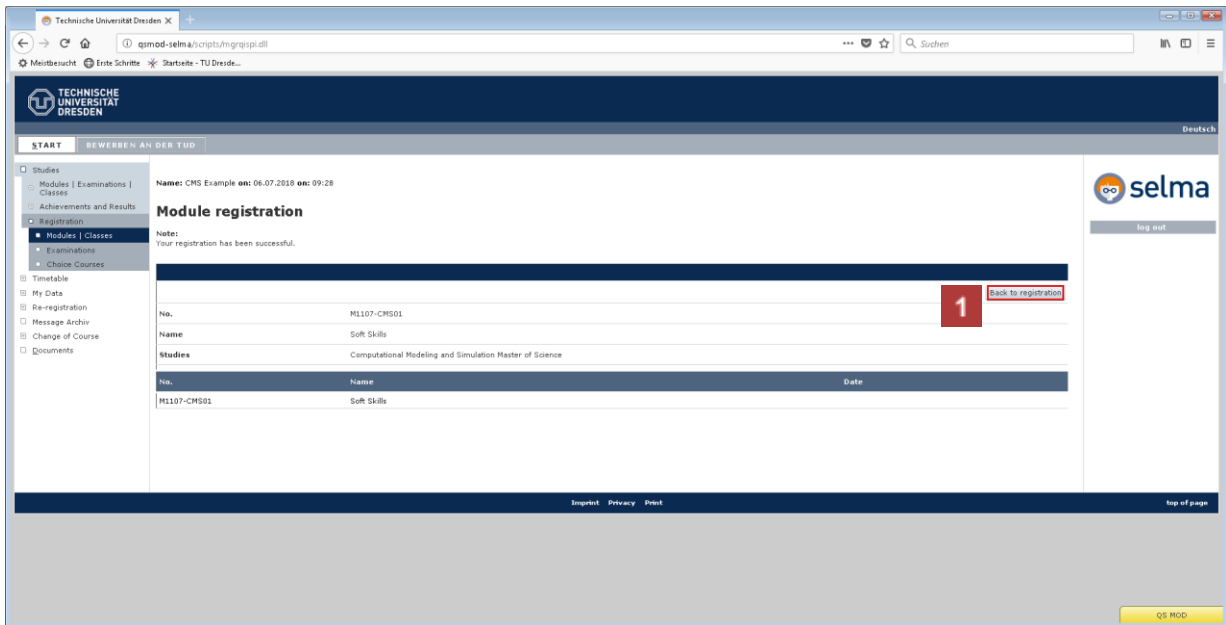

1 Click the **Next** button.

This page shows you your registered module for information purposes only.

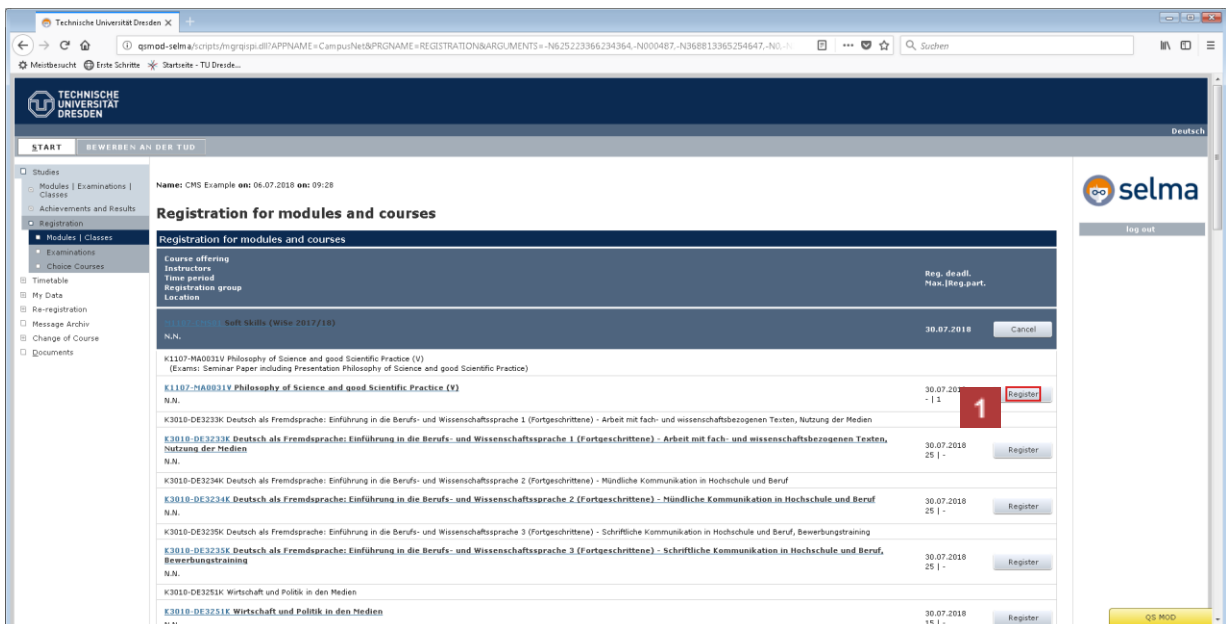

1 To register for the module, click the **Submit** button.

1.2 Registering for a course

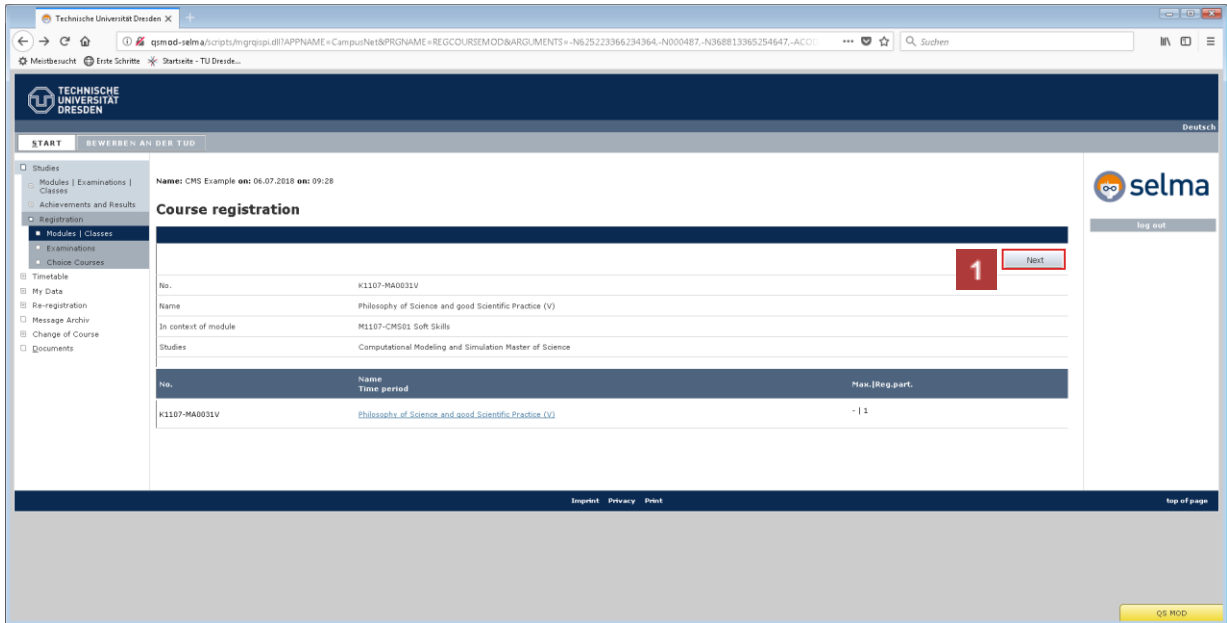

1 After you have registered for a module, click the **Back to Registration** button to register for courses in the module or for other modules.

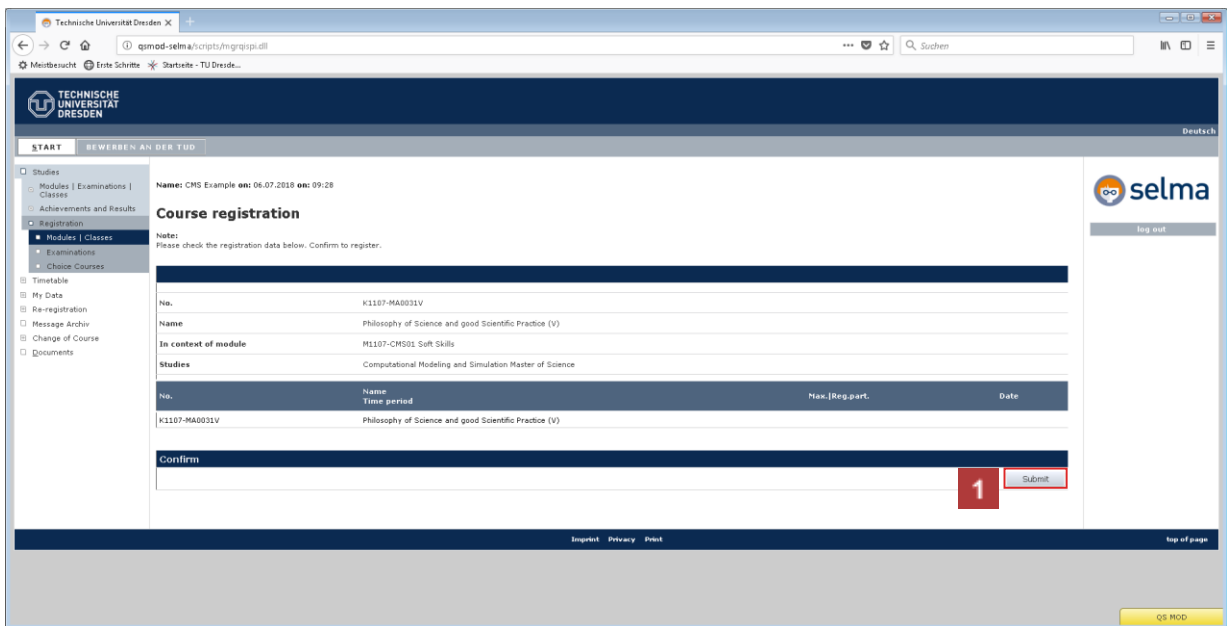

1 Click the **Register** button for a course. "Philosophy of Science and good Scientific Practice" is used as an example here.

 This module contains a course catalogue. The exams required for this course are shown above.

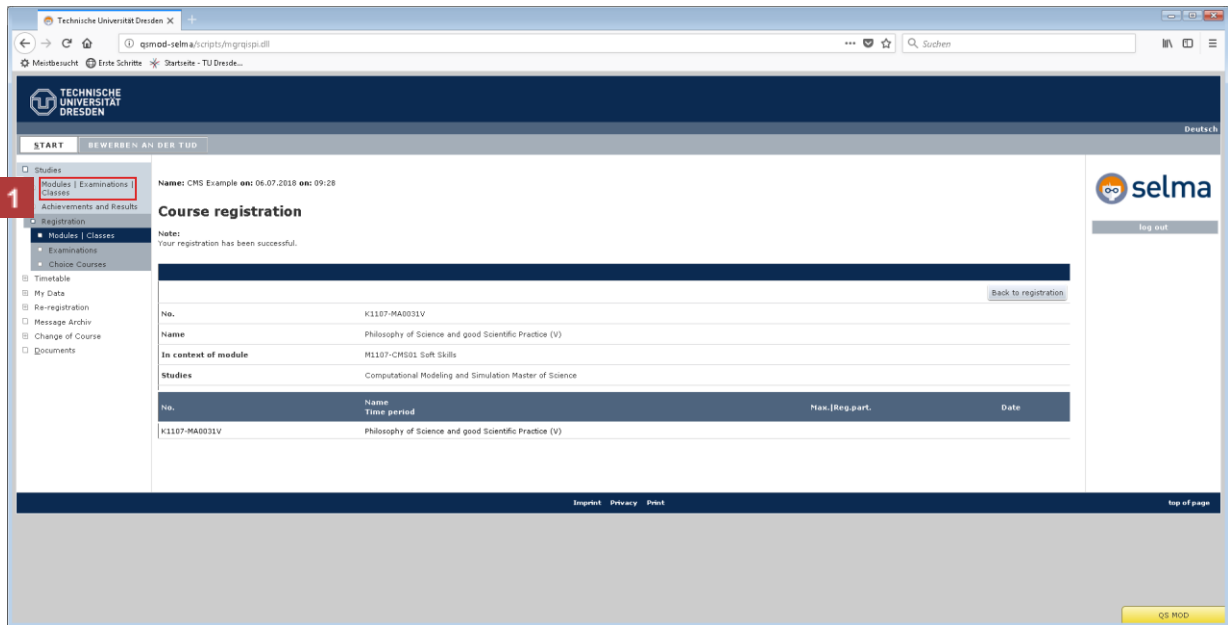

1 Click the **Next** button.

For some courses you have to choose a group, depending on the prerequisites or your own preferences.

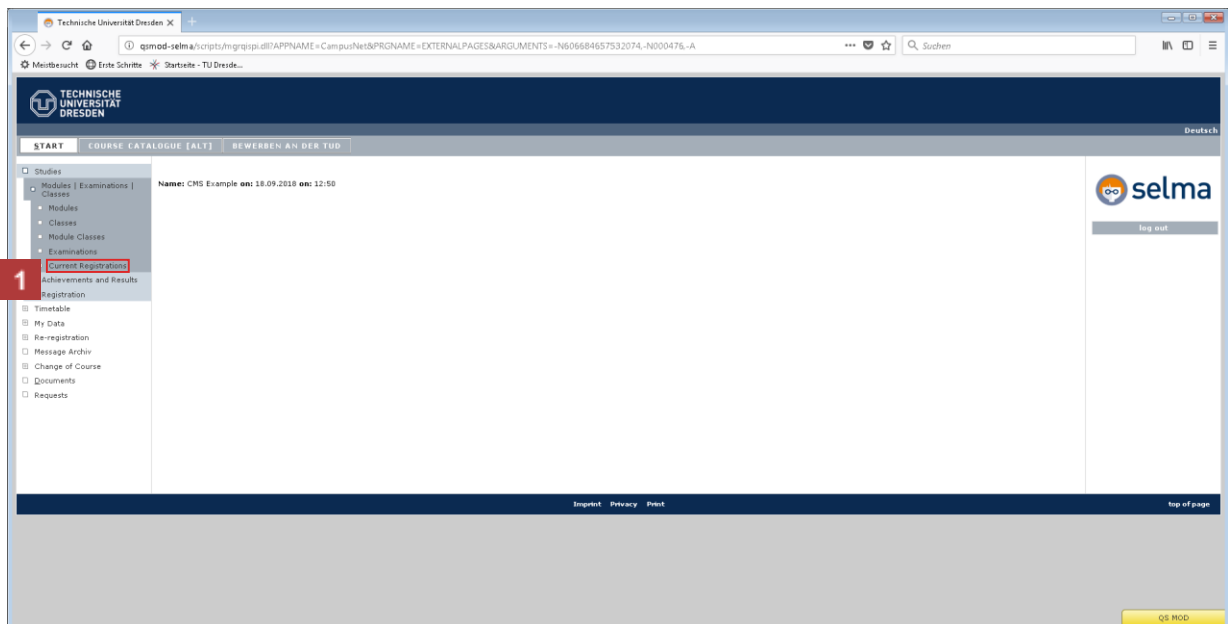

1 To register for a course, click the **Submit** button.

1.3 Overview/Withdrawal from registered modules and courses

1 For an overview of your registrations, click Studies in the navigation bar on the left, and **Modules | Examinations | Classes**.

1 Click **Current Registrations**.

The screenshot shows the 'My registrations' page in the selma system. The page is titled 'My registrations' and has a sub-header 'Pending registrations'. Below this, there is a table for 'Accepted registrations' and another for 'Accepted module registrations'. The 'Pending registrations' section is currently empty, showing 'No pending registrations'. The 'Accepted registrations' table has the following data:

Course offering Instructors Time period	Max. Reg. part. Credits	
E1107-MA031V Philosophy of Science and good Scientific Practice (L) N.N.	- 1	Cancel

The 'Accepted module registrations' table has the following data:

No. Module name Module Owner	Credits	
E1107-CH001 Soft Skills N.N.	5,0	Cancel

The interface also includes a sidebar with navigation options like 'Modules', 'Classes', 'Examinations', and 'Registration'. The top navigation bar shows 'START', 'COURSE CATALOGUE [ALT]', and 'BEWERBEN AN DER TUD'. The user is logged in as 'selma' and the page is in German ('Deutsch').

Registrations may be pending if registration is subject to confirmation and places on the course have not been assigned yet. You will receive a message once the places are assigned.

🗨 To withdraw from a course/module, follow the same steps as for registration, but click **Cancel**.
