TECHNISCHE UNIVERSITÄT DRESDEN

Application for CMS Track Change

To be completed by the student:

Full Name: _____   Student ID: _____

Year of first enrollment: _____

Study Course: *M.Sc. Computational Modeling and Simulation*

Currently Registered Track: _____

I hereby apply to change from the above-mentioned current track into the following **new CMS track:**

_____

I confirm that I have consulted with my mentor and I am aware that the choice of CMS track can only be altered once (see § 6 CMS study regulations). I confirm that I have not changed track before.

I am aware that this selection of track is binding and cannot be changed again.

An overview of my completed courses / modules is overleaf. I am aware that I can be assigned a new mentor in the new track upon the change. Together with this new mentor, I will submit the form "Application for a Transfer of a Course" where necessary.

_____   _____

Date   Signature (Student)

The coordinator of the current track has been <u>informed</u> about this request:

Stamp/Signature current track coordinator: _____

The coordinator of the new track <u>approves</u> the request (according to CMS EFO):

Stamp/Signature new track coordinator: _____

and assigns the following new mentor: _____

The application is <u>accepted</u> by the CMS examination board:

_____
Date

_____
Signature (Head of the Examination Board)
