

Application for changing the choice of CMS-COR core modules

To be completed by the student:

Full Name: _____ Student ID: _____

Year of first enrollment: _____

Study Course: *M.Sc. Computational Modeling and Simulation*

Registered Track: _____

I hereby apply to replace the previously chosen CMS-COR module:

with the newly selected CMS-COR module:

I confirm that I have consulted with my mentor and I am aware that the choice of CMS-COR modules can only be altered once (see § 6 CMS study regulations). I confirm that I have not changed my choice of CMS-COR modules before.

I am aware that this selection of CMS-COR modules is binding and cannot be changed again.
