

Step by Step:

## Perinorm

The Perinorm-Database gives access to DIN-, EN- and other norms. Students can access and use it for free.

It is required to be connected to the university network via:

- VPN
- Direct access via terminals
- Access via the university wi-fi networks

1. Open <http://slub-dresden.de/>.
2. Choose "Datenbanken" from "Recherche":

3. Click on "Datenbank-Infosystem DBIS":

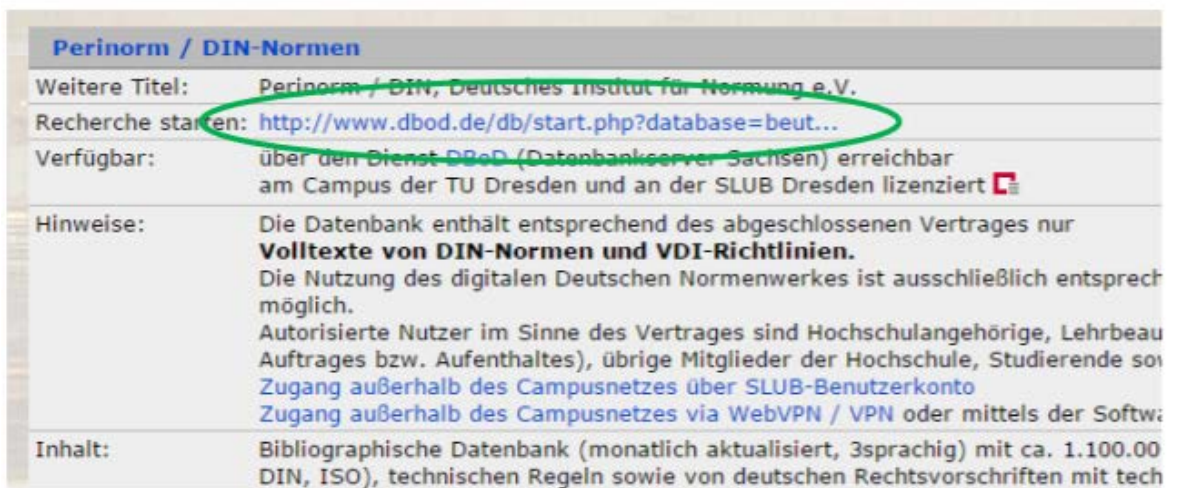

4. Choose on „Maschinenwesen, Werkstoffwissenschaften...“ from the list

5. Click on „Perinorm/ DIN-Normen“:

6. Click on the link next to “recherche starten”:

7. Accepts the terms of use by activating the box and click on “Weiter”
8. Now, you have access to the Perinorm-Database.
