

Step by Step:

Selma

Using Selma, you can...

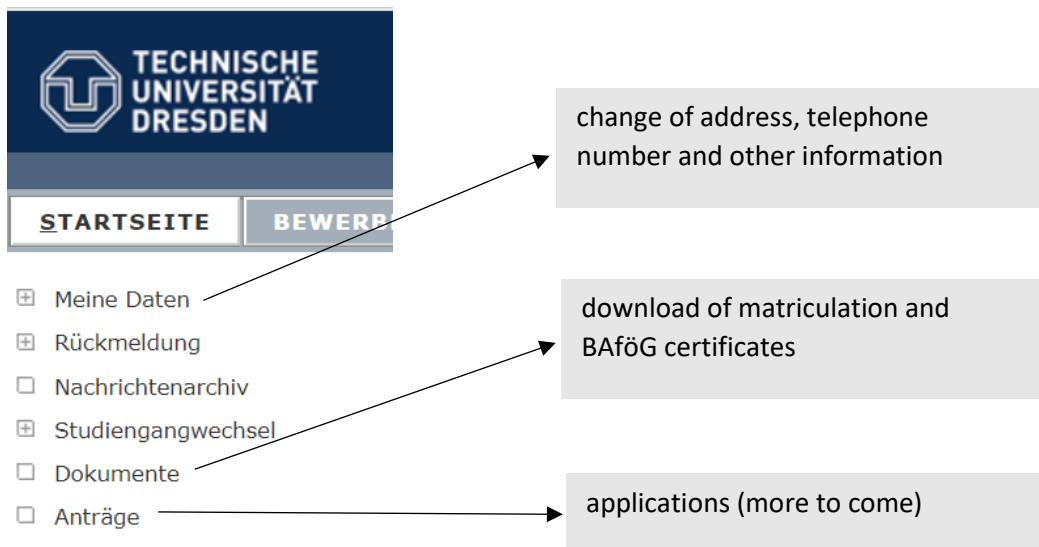

- Change your personal data (address etc.) in the database of TU Dresden.
- Download matriculation and BAföG certificates as .pdf.
- Put in special applications.
- Use more functions in the future and get information on the progress of your applications.

Selma is supposed to be replacing HISQIS in the near future.

1. You can find Selma on <https://selma.tu-dresden.de/>.
2. Fill in your s-number (no mail address, only number) and ZIH-password to login.

3. Functions:

4. Do not forget to log out!
