Enrolment for Sports Classes

The University Sports Centre offers a large number of sports classes. On http://tu-dresden.de/die_tu_dresden/zentrale_einrichtungen/usz, you can find all information on the fees, the instructors etc.

1. Choose your sports class: http://tu-dresden.de/die_tu_dresden/zentrale_einrichtungen/usz/sportangebote
2. You can find "Buchung" in the list of training hours and courses. This is where you can find the date for the enrolment or a button for the enrolment (after the beginning of the enrolment period).
3. When the enrolment is open, you can click this button and then enter your personal information.

Tips:

- First come – first serve! Be quick, many courses are booked out only seconds after the start of the enrolment period.
- Register in advance to enrol quicker. You can find this function in the same way as a normal sports course. With the registration, you do not have to fill in your information each time you want to enrol for a sports course. This saves time crucial for getting a spot in a course.
