

# EFRC Student Workshop 2025, May 20 - 23, 2025

The EFRC Student Workshop is a **4-day excursion** for students – **free of charge!** It combines hands-on experience and in-depth presentations so that students will discover the world of the reciprocating compressor.

## How to Apply

Send your **application** (incl. cover letter, motivation and CV) to Ms. Maja Schütz via e-mail:

European Forum for Reciprocating Compressors e. V.

Maja Schütz:

c/o Technische Universität Dresden, 01062 Dresden, GERMANY

- Phone: +49 (0) 351 463-32815
- E-Mail: [contact@recip.org](mailto:contact@recip.org)
- Website: <https://www.recip.org>
- Follow us: <https://www.linkedin.com/company/recip/>

**Application deadline: February 28 2025**

## Our Plan for 2025

*"Connecting talented students with the reciprocating compressor community"*

Visiting OEMs, operators and scientific players working with reciprocating compressors every day!

## Win a Prize

At the end of the workshop, the participants will get a challenging task to solve. The three best solutions will win attractive prizes.

## Feedback from Participants

*"I consider the workshop experience to be highly advantageous, not only in terms of expanding my knowledge but also in terms of professional networking and personal growth."*

*"I liked the student workshop very much. I started to think about how I could direct my career to the hydrogen field"*

*"The experience has left an indelible mark on our minds and will undoubtedly shape our future endeavours."*
