52nd KRAFTWERKSTECHNISCHES KOLLOQUIUM

06th & 07th October 2020 | International Congress Center Dresden

**CALL for
PAPERS
2020**

Dear Sir or Madam,

The Kraftwerkstechnisches Kolloquium - will take place on the 06th and 07th October 2020 for the 52st time. With the Call for Papers we would like to invite you to inform yourself about the company fair, the insertion in our conference transcript and the general procedure. We would be very happy if you submit a proposal by **05th March 2020**. Proposals can be submitted in German and English.

Sincerely, Michael Beckmann und Antonio Hurtado

Keyfacts about the Congress

annual congress
of energy and
power plant
industry

2019:**
around 960
(60 % industry, 25
% science, 15 %
public
authorities)

**Company
fair 2019:**
115 exhibitors

Lectures 2019:
104

Languages:
German and
English -
simultaneous
translation during
the plenary &
panel session

Lecture registration and Poster registration

The program provides lectures (time: 20 minutes presentation + 10 minutes discussion) and the exhibition of posters. Please enter your suggestion on page 3 (lecture/poster). The German or English written lectures will be published in the conference transcript **"Kraftwerkstechnik 2019/Power Plant Technology 2019"** and the posters will be exhibited during the whole conference time. Please address your registration including an abstract with a maximum of one text page until 05th March 2020 to us (see back side). The speakers of a lecture are exempted from the conference fee. Main authors of a poster pay a discounted conference fee of 460 Euro (plus value added tax).

Company fair

Parallel to the conference the possibility of a company presentation is offered. If you're interested or may you have any questions about the company fair do not hesitate to contact us.

Insertion in our conference transcript

Take the opportunity to present your company effectively with an insertion in the conference transcript and in the associated e-book. Thereby you support the book design and the participation of students in the conference. If you have any questions about the insertion, we are also very happy to help.

For Submission a lecture or poster please send us the answer sheet (page 3) until **05th March 2020**. For further questions please contact us:

Phone: +49 (0)351 463 42604
Fax: +49 (0)351 463 37753
