

52. KRAFTWERKSTECHNISCHES KOLLOQUIUM

6th and 7th October 2020 | International Congress Center Dresden

COMPANY FAIR

2020

Information

For our company fair we can offer you an exhibition area in the International Congress Center Dresden. It is possible to book an area under the following conditions:

Booth information

- The basic amount (minimum with a display of 6 m²) is 1500,00 €.
- For larger booth sizes (8, 9, 10, 12 m²) the price increases by 250,00 € each stand.
- The maximum stand size can be 12 m².
- The length of the stands may not exceed 6 meters and the depth of the stands must be at least 2 meters/maximum 3 meters.
- Bookable are only full meters.
- W-Lan and electricity are included.
- The Congress Center offers additional furniture (page 2).

Staff

- 2 booth supervisors are already included in the price.¹
- Further participants in the company fair have to pay the general conference price of 940,00 €.¹
- Only officially registered participants (page 2) are regarded as booth supervisors.
- Please note that the company fair is an additional part of the congress. Therefore conditions of company fair (mentioned above) apply also to speakers, who are booth personal at the same time.

Participation in the evening event

On Tuesday, the 6th October 2020, the evening event takes place in the

International Congress Center Dresden
Ostra Ufer 2
01067 Dresden

The participation is included in the price. Please register until 4pm in the conference office if you want to take part in the evening event. Without receiving a response until 4pm we reserve the right to pass on your ticket for the evening event.

Data protection

We need to collect and process personal within your registration: With the binding registration you confirm to collect and process your personal data by University of Technology Dresden, Institute for Process Engineering and Environmental Technology (congress organiser) and GWT-TUD GmbH (operator) in accordance with the DSGVO (General data protection regulation).

There is a shared responsibility of both organisations regarding to data processing within the meaning of Art. 26 DSGVO. You can revoke your voluntary Consent at any time. Revocation of your personal data generally means that we can't fulfill all Services. You can find your rights and further information on the protection of your personal data at: <https://www.gwtonline.de/datenschutz> and https://tu-dresden.de/impressum#ck_datenschutz.

¹ The price includes the participation in company fair, the lecture programme, the catering in the breaks, the conference transcript "Kraftwerkstechnik", the conference documents and the evening event. **All prices are without the value-added tax as valid on the date of invoicing.**

Future lounge offer

With your support, we would like to invite up to 60 scholarship holders from Germany and Europe on Kraftwerkstechnisches Kolloquium 2020. Those students specifically visit the congress cause of career opportunities in the energy and power plant industry. As exhibitor, you can take the opportunity to address career opportunities in your company to students. When using this scholarship support the following exclusive options are available for you:

- Publication of your information on vacancies/of career opportunities in the 2020 program*
- We will fix appointments with scholarship holders at your booth (6th and 7th October) for individual presentations about career opportunities
- Participation of a representative of your company at the get-together evening with all scholarship holders (October 5, 2020) in the International Congress Center Dresden (foyer area/future Lounge)

Registration deadline and cancellation

Registration deadline for the future lounge is the **1st May 2020**. You can only book this offer in connection with a binding registration for company fair. The conditions of cancellation of the company fair apply. The accounting of the future Lounge takes place with the total settlement of your participation in company fair.

Yes, I would like to book this additional offer. The Price is 460,00 € plus VAT.

Date, signature:

* The publication refers to the 2nd version of our program in August 2020.
We need information about vacancies/career opportunities by 15th July 2020 at the latest.
Please understand that we can only list short key information.
