### **Joint Conference "Pollution Awareness in Research and Teaching"**

**on-site on November 24<sup>th</sup>-25<sup>th</sup>, 2022**

**IIT Delhi, India**

The main vision of the bilateral DAAD-UGC [project "Combating environmental pollution through internationalization of education in Germany and India" \(COMPOLL\)](#) is a better understanding of the challenges, shortcomings and solutions regarding the pollution awareness in the two countries, Germany and India. The most important aspects have to be identified based on a comprehensive dialogue. The two-day conference will provide an excellent platform for this and highlight the latest developments in the research activities of both COMPOLL partners.

## Apply for your poster pitch

Present your scientific interests, your study and research work on the one hand and your plans for a scientific stay in Dresden (Germany), hosted by the [Institute of Lightweight Engineering and Polymer Technology \(ILK\) at the TU Dresden](#) on the other hand. Prepare three-minute pitch for a presentation of your ideas during the poster session. Submissions in line with the topic of environmental pollution in broad sense (the noise, air or water pollution as well as waste management especially) will be appreciated.

## Submission Guidelines

- Submit your short CV and fully developed poster (through a link to a cloud or QR-Code) to [ILK-International@msx.tu-dresden.de](mailto:ILK-International@msx.tu-dresden.de)
- **Submission Deadline: November 20<sup>th</sup>, 2022**, 08:00 pm Dresden time/11:30 pm Delhi time
- The authors of the selected posters will be notified by November 23<sup>rd</sup>, 2022
- Each selected poster will be entitled to receive 1 free pass to the conference

## Best Poster Award

The winners of the competition will be announced at the poster award ceremony during the closing session of the COMPOLL Joint Conference on Friday, November 25<sup>th</sup>, 2022, 06:00 pm. The winners will receive free pass to the Conference dinner after the ceremony and funding for a research stay 2023 at TU Dresden (incl. travel and accommodation costs).
