

Declaration of consent to the worldwide publication of personal data on the internet

Name

Date of Birth

The Chair of Processing Machines/Processing Technology at the TUD Dresden University of Technology intends to publish the following information as calendar entry on the Chair's website for up to five years, including

- First Name, Last Name
- Titel of the thesis
- Place and date/time of the defense

Please note:

We would like to inform you that if personal data is published on the internet, it can be accessed worldwide by anyone, even with the help of "search engines" (e.g. Google). In this way, personality profiles can be created by linking this data with other data relating to you that is available on the internet. The data may also be used for other purposes. Search engine archiving functions (see, for example, www.archive.org) may allow access to the data even after it has been removed from the university's websites mentioned above or changed.

I consent to the data listed above being published in the manner described above on the Chair of Processing Machines/Processing Technology's website for a period of up to five years from the date on which this consent is given.

Consent to the publication of personal data can be withdrawn at any time in the future. In the event of revocation, the corresponding data may no longer be used for the above-mentioned purposes in the future and must be deleted from the corresponding websites without delay. The revocation of consent does not affect the lawfulness of the processing carried out on the basis of the consent up until the point of revocation.

Consent is voluntary and is given in accordance with Art. 6 para. 1 lit. a GDPR. No repercussions will arise from refusing or withdrawing consent. You have the right to information, rectification, erasure and restriction of processing or to lodge a complaint with a data protection supervisory authority at any time.
