RECRUITING & EMPLOYER BRANDING
at the Technische Universität Dresden

CAREER SERVICE

tu-dresden.de/for-employers
PROFILE – TU Dresden

“Knowledge builds bridges” is the mission statement of our university. With our variety of courses, excellent research projects and networks we build bridges not only between scientific disciplines but also to industry and society.

The team of the Career Service is thereby committed to the close connection between university and potential employers. In soft skill workshops and career consultations we qualify students of all disciplines for the academic job market. And during our Campus Events and Employer Workshops we bring our young talents together with potential employers. We are looking forward to assisting you in achieving your employer branding goals.

Facts & Figures

☑ We are one of the 11 Universities of Excellence in Germany
☑ As a classical full university we educate about 34,000 students in 122 disciplines
☑ 13% of our student body is comprised of international students
☑ We offer both: traditional degrees like the Diplom and state examination as well as the newer academic degrees like Bachelor and Master and of course international double degrees
☑ Research priority areas are within the fields of biomedicine and bioengineering, material sciences, information technology and microelectronics as well as energy and environment

Recruiting Opportunities at the TU Dresden

We offer personalized services and instruments to ensure that you achieve your individual recruiting goal. Whether you would like to support students with a scholarship, are looking for working students and interns or wish to inspire a graduate to start a career in your company – we know your target groups and can recommend suitable employer branding- and recruiting tools.

Overview – Services for Employers

Depending on the quantity, time scale and target group of your staff requirements, we can offer the possibility to:

- advertise your job openings (1)
- directly meet with our students (2)
- help strengthen your employer brand among university students (3)

Advertisements for job openings

Services of the Career Service

Job portal „Stellenticket“ of the TU Dresden
Publish your job advertisements on our job portal! The portal is tailor-made for students and graduates of technical universities and allows you to minimise wastage and find high-quality applicants for your internships or vacant trainee or direct entry positions. As a side effect you will be able to gain more traction for your recruiting homepage.

Costs
- 50 € (target group students, duration 30 days)
- 200 € (target group graduates, duration 30 days)

Contact
Stellenticket GmbH | info@stellenticket.de
tud.stellenticket.de/de/

Jobbox at the Career Service
Every year, about 3000 students take part in workshops and events hosted by the Career Service of the TU Dresden. In our office, the students have the opportunity to view current job advertisements.

Costs free of charge
Contact TU Dresden | Career Service | stellen.anzeigen@mailbox.tu-dresden.de

Further services

Advertisement at the faculties
Draw attention to your vacant positions via a posting at the faculties of the TU Dresden! You can find the corresponding contact for your target group in our overview „disciplines and faculties“ (page 13-14). This service is free of charge.

Internship abroad
You are looking for students and/or graduates for your representative office abroad? The Leonardo-Büro supports you with scholarship announcements and a job portal for internships and job announcements abroad.

Costs information upon request
Contact TU Dresden | Leonardo-Büro Sachsen | +49 (0) 351–463 42035
auslandspraktikum.leosachsen@tu-dresden.de | leosachsen.stellenticket.de

Temporary and part-time jobs (“mini-jobs“)
The employment service ‘Studentische Arbeitsvermittlung Dresden‘ (STAV) provides temporary employees for side jobs and non-academic positions in a quick and unbureaucratic process.

Costs information upon request
Contact Studentische Arbeitsvermittlung Dresden STAV e.V. | +49 (0) 351–896 6970
stav-dresden.de/
Matching – Dual Career Service

The ‘Dual Career Service for recent appointees’ supports partners of recently called professors with their professional reorientation in Dresden. These partners are usually also highly qualified professionals with a lot of experience in their field. Your job offer will be matched with the current candidate profiles.

Costs free of charge

Meeting students on the campus

Offers of the Career Service

Industry event „Branchentreff“
The industry event „Branchentreff“ helps students inform themselves about current trends on the job market and interesting employers. No more than twelve companies of the target industry present their job offers to young talents and afterwards get to know the students in personal conversation at the Career Café. A company profile on „Stellenticket“ as well as a jobwall and an info desk round off the popular career event.

Is your company in energy and environmental engineering and looking for skilled young talents? Recruit your future employees on our next industry event.

**BRANCHENTREFF Energy and Environment on 23 January 2020**

- reduce your recruiting efforts and get to know your future employees right on campus
- present yourself exclusively and directly to your target group
- use the industry event to meet other scientific and business experts

**Program**

<table>

„Karriere für den Geist“ - employers present their field of work

On 14 November, the Career Service and the faculty students' councils of the arts and humanities are hosting the information day „Karriere für den Geist“. For this, we would like to invite prospective employers like yourself to present fields of work for arts and humanities students and inform the students on the career start at your company and the skills required. Along with other representatives of different fields of work, institutions and companies, you will provide our students with insight, especially concerning ideas for professional networking, project acquisition or self-employment. You are not required to currently have job vacancies or bring job offers to the event.
Workshops with students

With a workshop at the TU Dresden you can present yourself exclusively as a company that develops and trains their employees competently your recruiting advantage! You impart practical expertise and key competencies and get in contact with excellently qualified students of the TU Dresden.

Suitable topics

<table>
<thead>
<tr>
<th>Job Application Trainings</th>
<th>Soft Skills Workshops</th>
</tr>
</thead>
<tbody>
<tr>
<td>› Dos and don’ts in the job interview</td>
<td>› Leadership competence training</td>
</tr>
<tr>
<td>› Applying in English</td>
<td>› Project management</td>
</tr>
<tr>
<td>› Online applications</td>
<td>› Public relations</td>
</tr>
<tr>
<td>› Salary negotiations</td>
<td>› Social media</td>
</tr>
<tr>
<td>› Business etiquette</td>
<td></td>
</tr>
</tbody>
</table>

Dates on request, preferably during the ‘application weeks’ in September
Duration full-day workshop 9:30 AM -5 PM or part time 9:30 AM-12:30 AM or 1 PM - 4 PM
Booking deadline 1 February for the summer semester and 1 August for the winter semester

Our services

✅ Marketing at the TU Campus, via web and social media channels of the Career Service
✅ Registration of students (companies receive a registration list prior to the workshop including information about the field of study)
✅ Room, equipment & material
✅ Organization of snacks & drinks (occurring costs need to be paid directly by the company)

Costs full-day workshop 590 Euro | half-day workshop 340 Euro
Contact Susan Wildenhain | +49 (0)351-463 42399 | susan.wildenhain@tu-dresden.de

Scholarship ‘Deutschlandstipendium’

With the support of scholarship holders of the “Deutschlandstipendium”, you can support high-performing students at the TU Dresden for one academic year and allow them to focus on their studies and commit to social projects. You will gain positive attentions among the scholarship holders and get into contact with other sponsors. The scholarship can be directed to a student within a discipline of your choice, and you will have a say in the chosing of the individual applicant.

Date registration until July for a financial aid beginning in winter semester
Costs 1,800 Euros per year and student are augmented by 1.800 Euros by the Federation for the socially engaged scholarship holder
Contact Franziska Plathner | +49 (0) 351–463 37898 | deutschlandstipendium@tu-dresden.tu-dresden.de/deutschlandstipendium
International Talents

With 15% of our students originating from abroad, the TU Dresden is one of the most international universities in Germany. The Career Service counsels approximately 800 such students per year, who are mostly studying in German-language courses, namely in machine and process engineering, automotive engineering, physics, computer sciences, electrical engineering and information technology. Would you like to introduce yourself to these interculturally skilled, committed students as a future employer? Formats such as fireside chats, application workshops or your short presentation during a campaign day for about 300 international Students.

Contact  Birgit Brand | +49 (0)351 463-42402 | birgit.brand@tu-dresden.de

Local Economy Meets International Students

In several talks of ten minutes each you can meet highly motivated international students of the HTW Dresden and the TU Dresden as well as graduates currently living in Dresden. Let them convince you of their professional and intercultural skills and present your own requirements. In the concurrent job fair you can speak to all those students who could not book a speed dating appointment. This format is realised in cooperation with Dresden partners: the Chamber of Commerce and Industry, the Office of Economic Development, TU Dresden, HTW Dresden and the project TalentTransfer of SCiB-consulting.

Date  7 May 2020
Location  plenary assembly hall of the city hall Dresden
Contact  Birgit Brand | +49 (0) 351 4463-42402

Job Shadowing for International Students and Students of the Arts and Humanities

This project seeks to showcase the professional and interdisciplinary abilities of international students and students of the arts and humanities and help break down reservations. Possible formats are for example a job shadowing (in which the students would spend a day shadowing an employee of your company) or a group excursion. You can specify fields of study as well as the number of participants and the extent of the format in advance.

Contact  Birgit Brand | +49 (0) 351 4463-42402 | birgit.brand@tu-dresden.de

Rookie Turns Engineer

Engineers of your company describe their own career path and their everyday professional life with a short presentation and consecutive talks in small groups to 70 STEM freshmen students. This allows you to supply a realistic occupational profile, help the students with choosing their specialisation and prepare them for the challenges after graduation. The ability to connect the knowledge gained in the more theoretical first phase of their studies helps with students’ motivation and success in their studies. In addition, you position yourself as a prospective employer early on. If you chose to become a sponsor, you can increase this effect further.

Date  28 August 2019 from 1.30 PM to 6 PM
Content  5-minute presentation of an engineer with subsequent Q&A in small groups. Please be aware this is not primarily a company presentation, the focus is on the personality and personal experiences of the engineer.
target group  students of the faculties of mechanical engineering, process engineering, computer
Further options at the TU Dresden

Company job fair “bonding”
The bonding job fair Dresden is the largest job fair in Dresden organized by students for students. Further offers upon request.

Date  9 - 11 June 2020
Costs  information upon request
Contact  bonding-studenteninitiative e.V | +49 (0) 351–471 1147 | dresden@bonding.de
Website  dresden.bonding.de.

OUTPUT CONTACT
The OUTPUT CONTACT enables the direct interaction between economy and science at the faculty of Computer Science. The attendance of regional companies encourages the communication between visitors and employees.

Date  June 2020
Contact  TU Dresden | Faculty of Computer Science | Silvia Kapplusch | silvia.kapplusch@tu-dresden.de
Contribute  all stands for 2019 are booked, you are very welcome to visit as a guest

Job fair for transport and traffic sciences ‘KontaktMesse Verkehr’
Companies of the transportation industry get in contact with students of the TU Dresden.

Date  Spring 2020
Costs  information upon request
Contact  Verein Spätverkehr e.V. | TU Dresden | Faculty of transportation and traffic sciences | kontakt@kontaktmesse-verkehr.de

PAUL Consultants
Highly motivated students from the consulting organization PAUL Consultants help to solve problems of your company objectively and applying their current university knowledge.

Costs  information upon request
Contact  PAUL Consultants e. V. | +49 (0) 351–218 63551 | vorstand@paul-consultants.de

VDI Studenten und Jungingenieure Dresden (Association of German Engineers)
This student group is regularly looking for interesting guests for their regular’s table as well as partners for field trips and seminars (between ten and 30 participants). As speaker working in engineering you can provide valuable insight for their studies and get to know students and young professionals.

Costs  free of charge, it is encouraged to cover a share of additional costs should they arise
Contact  VDI Dresdner Bezirksverein e.V. | +49 (0)351 656 7446 | suj-dresden@vdi.de
getIT

The student group is looking for interesting companies in the field of IT who would like to present themselves to students and future employees in lectures or workshops. As a company, you may approach us with a specific topic and a lecturer and the student group will provide the organizational framework.

Cost free of charge, it is encouraged to cover a share of additional costs should they arise
Contact getIT e.V. | kontakt@get-it-dresden.de | get-it-dresden.de

ConnectING Get-Together for Female Students of Mechanical Engineering

The „Stammtisch“ get-together offers female students and employees an opportunity for networking outside of the lecture hall and the desk. It takes place three times per semester and is complemented by excursions and seminars with the framework of the annual autumn seminar. We are regularly looking for partners concerning topics from everyday professional life of women in companies and HR strategies of companies. The „Stammtisch“ is organised by the Collaborative Research Centre Transregio 96 and the equal opportunities office of the faculty of mechanical engineering.
Your company brand in student media

Our services

Communicating your event or programme
You are organising contests or in-house events, offer scholarships or trainee programmes or the possibility for a Gap Year? Advertise it across the university on our job portal Stellenticket. Refer to your recruitment page to advertise your vacancies and your employer brand in the same step.

Costs  200 Euros (target group students and graduates, duration 30 days)
Contact  Stellenticket GmbH | info@stellenticket.de
         tud.stellenticket.de/en/

Distribution of your print material
We are happy to put out invitations to your event or programme at the Career Service or display them on our pin board. For this purpose, you may send us up to 30 leaflets and/or one to two A3-sized posters.

Contact:  TU Dresden | Career Service (SG 8.6) | Susan Wildenhain | Strehlener Str. 24 | room 614 | 01069 Dresden

You wish to display your print materials throughout campus at the TU Dresden? Feel free to contact the faculties and institutes of your target group via mail (posters up until A3-size). In our overview “Schools and Faculties of the TU Dresden” (pp. 13-14) you can find the contact info of your target schools/faculties.

Cost:  free of charge

Your company profile
You present your company profile as an employer, your entry level jobs and your recruiting-focus on the online job portal Stellenticket of the TU Dresden, in the offices of the Career Service and on campus.

Costs  1.000 / 1.400 Euro (6 months + central display cabinet on campus) bzw.
       1.600 / 2.000 Euro (12 months + central display cabinet on campus)
Contact  Stellenticket GmbH | +49 (0) 30–5770 74480 | info@stellenticket.de

RESEARCH COOPERATION

The Business Relation Office (BRO) counsels industry and commercial enterprises on research and development projects at the TU Dresden. It facilitates access to scientific expertise and services of the TU especially for small to medium-sized enterprises (SME). The BRO connects industry with partners in research suited for their individual requirements, illustrates different forms of cooperation and assists in their administrative processing.

Price overview for advertisements in „Stellenticket“

(job advertisements, events and programs)

**SINGLE PORTAL TICKETS**

You only want to publish your job offer at one of our portals? If so, our Single-Portal Tickets are the right choice. When buying a ticket you select the portal you want to publish at at the same time. Prices of Single-Portal Tickets:

- Blue Single-Portal Ticket: 50 €
- Red Single-Portal Ticket: 200 €

The Single-Portal Ticket is the only one where you get quantity discounts: for 3 to 4 tickets 5 %, for 5 to 9 tickets 10% and for more than 10 tickets 15 %. The discount is shown under „Current Selection“ on the right. For some portals there are further regional discount.

**MULTI PORTAL TICKETS**

With our Multi-Portal Tickets you publish a job offer, an event or program at multiple of our portals at the same time.

There are Multi-Portal Tickets in different forms: Regional Tickets for portals in certain regions, Combi-Special Tickets for your own selection of portals and Combi-Flex Tickets for a predefined number of portals.

**Regional Tickets**

Regional Tickets are a special form of our Multi-Portal Tickets. They are designated to combine some portals of a defined country region. For example there is the Combi-Berlin ticket to combine all our Berlin portals. Regional Tickets are identified clearly by their name. Prices of Regional Tickets are as follows:

- Blue Regional Ticket: First portal 50 € plus 25 € for each additional portal.
- Red Regional Ticket: First portal 200 € plus 100 € for the second portal, 75 € for the third and 50 € for each further portal.

**Combi-Special Ticket**

A Combi-Special Ticket is created with a configurator and comprises a combination of portals which differs from our default combinations in the Ticket Shop.

You choose at Combi-Special Tickets the portals where you want to publish when buying the respective ticket. Prices for Combi Special Tickets are as follows:

- Blue Combi Special Ticket: First portal 50 € plus 25 € for each additional portal.
- Red Combi Special Ticket: First portal 200 € plus 100 € for each additional portal.

The lower charge is applicable if the selected portal is also available as a regional combination with any of the before selected portals. If this is not the case, the higher charge is applied.
**Flex Ticket**

With Flex Tickets you decide at which portals to publish your ad when creating an offer, not when buying tickets. Additionally, you can select from all of our portals and are not restricted to any combination. A Flex Ticket could be called a plain ticket that can be validated for any of our portals. We offer our Flex Ticket as a Single-Portal Ticket (Flex-1) and as a Multi-Portal Ticket (Flex-2, Flex-3, etc.).

Flex Tickets differ in their digit only. The digit defines the number of portals where an ad can be published. A Flex-1 Ticket allows to publish an ad at one of our portals, with a Flex-4 Ticket an ad can be published at four of our portals. The prices for Combi Flex Tickets are as follows:

**Blue Regional Ticket:**
- First portal 50 € plus 25 € for each additional portal.

**Red Regional Ticket:**
- First portal 200 € plus 100 € for each additional portal

**COUPONS**

Our Coupons for the premium ads or our input service are available for 40 €.

**ADDITIONAL INFORMATION FOR ADVERTISEMENT FOR EVENTS AND PROGRAMS**

To publish an event or program, a red ticket is always required, no matter if the offer is aimed at students or graduates.
