**Pedagogical Competence**

1. Setting clear objectives
2. Upholding the threshold level of quality
3. Creating a course which generates appropriate learning activity
4. Doing this while using teacher-time activity

**The Teaching Trick**

How to improve student learning without spending more time teaching

KEYNOTE – Tag der Lehre 2017
15.11.2017 @ TU Dresden

**Family Dinner**

Old:
- Week 1
- Week 2
- Week 3
- Week 4
- Week 5
- Week 6
- Week 7
- End

New:
- Week 1
- Workshop
- Week 2
- Week 3
- Week 4
- Week 5
- Week 6
- Week 7
- Week 8

**Why**

- Feedback session
- Peer-feedback
- Easy marking

FAIL = 0p
PASS = 1p
BRILLIANT = 2p
+ Writing feedback = 1p

It only takes 1-3 min per paper and the lecturer has time for family dinner

**Family Dinner**

**Why**

- Feedback for learning
- Group learning
- Social motivation

Both can be made cost-effective

The Tricks imply:
- Quality time with the students
- More meaningful
- Adds value
- More fun

**How to:**

1. Formulating intended learning outcomes
2. Designing activities
3. Designing assessment

**THE TRICKS**
