

## Data Protection and Consent Declaration for the "IMB Anniversary"

### 1. Purpose and Data Collection Authority

The event "IMB Anniversary" serves the presentation of the performance record of the consulting service at the Institute of Medical Informatics and Biometry (IMB). The data provided will be used exclusively for this event, so that a feedback to the participants as well as an overview of the target group can be guaranteed. The Institute for Medical Informatics and Biometry of the Medical Faculty Carl Gustav Carus at the Dresden University of Technology is responsible for this event (Fetscherstrasse 74, 01307 Dresden; phone +49 351 458 6060).

### 2. Data Processing

The data listed below are collected by means of an online form on the website <https://tu-dresden.de/med/imb-jubilaem> and then electronically processed by the Institute for Medical Informatics and Biometry, exclusively for the above-mentioned purpose<sup>1</sup>. The data will be used for an individual e-mail to confirm the registration before as well as for a participation list during the above-mentioned event.

Only employees of the IMB are authorized to access the data. The requested data are as follows:

Salutation<sup>2,\*\*</sup>,  
Title<sup>2</sup>,  
First name\*,  
Last name\*,  
E-mail address\*,  
Institution\*.

### 3. Voluntariness and Revocation

Registration for the above-mentioned event and the associated processing (collection, storage, modification, use) of personal data is voluntary. It is known that consent can be refused and revoked for the future at any time without giving reasons.

In case of refusal or revocation of consent for the data marked with \*, participation in the above event is not possible or the confirmation of participation expires on the date of revocation. In case of refusal or revocation of the data marked with \*\*, an individual e-mail confirmation of participation is not possible.

In the event of revocation, all personal data to which the revocation relates will be deleted in accordance with data protection regulations.

### 4. Data Transmission

<sup>1</sup> Processing in the sense of collection, storage, modification, anonymization, transmission, use, blocking and deletion.

<sup>2</sup> Voluntary indication

No personal data will be transmitted to third parties.

5. Storage Period

All personal data collected will be archived no later than three months after the end of the event.

6. Publication

The publication of the data marked with \* will take place on the day of the event (28.05.2021) in the form of a signature list to confirm participation. Further publications in any other way will not take place.

7. Information Right

I am aware that I may at any time request information about the data processed about myself and recipients of these data to whom they have been transmitted, and that I am entitled to a reply within one month of receipt of the request for information.

8. Data Protection Officer and Data Protection Supervisory Authority

I am aware that I can contact the data protection officer of the [TU Dresden](#) as well as the responsible [supervisory authority for data protection](#) at any time.

<sup>1</sup> Processing in the sense of collection, storage, modification, anonymization, transmission, use, blocking and deletion.

<sup>2</sup> Voluntary indication
