

Dresden School of

Clinical Science

Key competencies

MITTS/H92, Seminar room^{Ground Floor}
4.30 pm

? September How to practice open science?

27th October What is Good Scientific Practice? /
Abuse of power in science
(This seminar will take place in house 66)

27th November How to start up?

To pursue successful careers in translational research, scientific key competencies and a thriving network are as essential as methodological expertise. The DSCS meets this need with the Clinical Science Key Competencies seminar series.

Get inspired by teaser talks of
local experts and look forward
to networking with peers!
