

Appendix 1: Template for the List of Publications for an Application for the Habilitation Funding Program for Women

1) Top-10-Publications

Notes:

- Use a list format, highlighting your own name in bold
- Include the **current** impact factor of the journal according to the Journal Citation Reports
- **A maximum of 10 Publications divided into the following categories**
 - a. **Original articles with first or last authorship in peer-reviewed journals**
 - b. **Original articles with co-authorship in peer-reviewed journals**
 - c. **Reviews* with first, last, or co-authorship**

2) Patents

3) Secured Third-Party Funding

Notes:

- Only externally peer-reviewed third-party funding (e.g., DFG, foundations, etc.)
- Specify the funding organization, title, duration, and funding volume.

4) Scientific Conference Contributions (only presentations)

5) Other

***Reviews and case reports** may be listed but are not counted for the data in Appendix 2, as they are **not** creditable within the habilitation process (see guidelines for the habilitation process of the MF-TUD).
