The Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus of the Technische Universität Dresden are offering a position at earliest convenience as a

Professor (W2) for Islet Transplantation for Diabetes.

Research, diagnostics and therapy for diabetes mellitus and metabolic syndrome are a focus of the Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus Dresden. The main responsibilities of this professorship include the treatment of patients, in particular patients with type 1 diabetes, the implementation of the established autologous and allogeneic islet transplantation program and the development of new xenogeneic and stem cell-based therapies.

The employment of professors with medical tasks is carried out at the University Hospital Dresden in the scope of non-pay-scale employment contracts with a basic remuneration and a performance- and success-related compensation.

Prerequisites according to § 58 SächsHSFG include a university degree in medicine, a doctoral degree and a post-doctoral degree/habilitation or an equivalent qualification record. Board certification for Internal Medicine and Diabetology as well as teaching experience are required. Ideally, as a future job holder, you are a researcher with an international reputation and have profound records in the acquisition of third-party funds. It is required that you will actively integrate into the preexisting infrastructures and research profile of the Faculty of Medicine, especially in the field of regenerative medicine. In particular, experience in management and leadership of an islet transplantation center is desired.

The Faculty of Medicine aspires to increase the number of women in research and teaching, and strongly encourages qualified women to apply for this position. We also welcome applications from scientists with disabilities.

Please send your application by 5 February 2018 to the Dean of the Faculty of Medicine Carl Gustav Carus of the Technische Universität Dresden, Prof. Dr. med. H. Reichmann, Fetscherstraße 74, 01307 Dresden, Germany. For further details concerning the required application documents see the homepage of the Faculty of Medicine under jobs. For more information please contact the dean’s office (Dr. Janetzky, +49 351-458 3356), the equal opportunity officer Dr. Valtink (+49 351-458-6124) or the representative for disabled persons Ms. Hillig (+49 351-458-3327).

The Technische Universität Dresden is a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate’s partner.
