

The Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus of Technische Universität Dresden invite applications for the

## **Chair (W2) of Child and Adolescent Psychiatry and/or Psychotherapy with focus on clinical and experimental developmental psychiatry**

to be filled at the earliest possible date.

The professorship is associated with a management function in the Clinic and Polyclinic for Child and Adolescent Psychiatry and Psychotherapy. Your tasks include representing the field in patient care, research and teaching (in German and, if necessary in English) as well as the successful establishment and continuation of projects – self-initiated or within the framework of research networks. Cooperation with the clinics of the Center for Mental Health, other institutes and clinics of the Faculty of Medicine and the psychological or neuroscientific laboratories of Technische Universität Dresden is expected.

We are looking for a personality with a research profile demonstrating translational research methods and thus fostering collaboration projects with clinicians and researchers. Evidence of substantial research achievements, successful implementation of coordinated projects by third-party funding bodies in the field of developmental psychiatry and the acquisition of peer-reviewed third-party funding is expected. Furthermore, experience especially in the field of multimodal research on child and adolescent mental health as well as commitment in teaching and good didactic skills are required. We wish for the future post holder to actively contribute to the further development of DFG research networks (e.g., FOR 2698) into larger DFG-funded research consortia and also participate in the further development of the "SaxoChiLD" site within the German Center for Child and Adolescent Health.

Prerequisites for appointment include a university degree, a doctoral degree and a post-doctoral degree/habilitation or an equivalent qualification record. Teaching experience and previous work in a clinic for child and adolescent psychiatry and psychotherapy are mandatory. Prerequisites for appointment are governed by § 58 SächsHSFG.

The employment of professors with medical tasks is carried out at the University Hospital Dresden in the scope of non-pay-scale employment contracts with a basic remuneration and a performance- and success-related compensation.

The Faculty of Medicine seeks to employ more women in leadership positions and strongly encourages qualified women to apply. We also welcome applications from qualified candidates with disabilities or those with additional support needs.

Please send your application **by September, 30<sup>th</sup> 2022** in electronic form in a single PDF file or in hardcopy to Dekanin der Medizinischen Fakultät Carl Gustav Carus der Technischen Universität Dresden, Frau Prof. Dr. med. E. Troost, Fetscherstr. 74, 01307 Dresden (meddekanin@mailbox.tu-dresden.de). For further details concerning the required application documents please see the homepage of the Faculty of Medicine or contact the dean's office (Mr Dr. Janetzky, +49 351-458-3356), the Equal Opportunities Officer of the Faculty of Medicine (Ms Dr. Valtink, +49 351-458-6124) or the representative for persons with disabilities (Ms Vogelbusch, +49 351-458-12127).

TU Dresden understands diversity as culturally self-evident and a quality criterion of a university of excellence. Accordingly, we welcome all applicants who would like to commit themselves with their performance and personality to us and with us for the success of all. TU Dresden is strongly committed to the goal of a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate's partner.
