The Faculty of Medicine and the University Hospital Carl Gustav Carus at Technische Universität Dresden invite applications for the Chair (W2) of Lipidome Research to be filled at the earliest possible date.

The chair will be appointed at the Center of Membrane Biochemistry and Lipid Research, Carl Gustav Carus Faculty of Medicine at TU Dresden. By filling the Chair of Lipidome Research, we would like to further develop lipidomics in particular as a key technology for multiple health research centers and cross-sectional profiles (esp. metabolic diseases) at the highest level at the Faculty of Medicine and lay a further foundation stone for new biomedical initiatives. As the upcoming position holder, you are already established as a successful research personality in the fields of lipidomics and lipid metabolism in the context of metabolic disorders (e.g. obesity and insulin resistance) and chronic inflammation. We also welcome your extraordinary commitment to teaching in German and English and your willingness to participate in academic self-governance.

You are an international renowned dynamic research personality with documented expertise in bioanalytical mass spectrometry and related bioinformatics data processing and integration. In addition, you have proven track record in establishing and running a Lipidomics/Lipid Metabolism Facility at TU Dresden. A high level of involvement in national and international collaborations/networks, supervision of consortia, and proven history of successful third-party funding is required.

Prerequisites for appointment according to § 58 SächsHSFG include a university degree in biochemistry, biology, medicine or related disciplines, a doctoral degree and post-doctoral track-record/habilitation or an equivalent qualification record.

The Faculty of Medicine seeks to employ more women in leadership positions and strongly encourages qualified women to apply. We also welcome applications from qualified candidates with disabilities or those with additional support needs.

Please send your application by June 25th 2022 in electronic form in a single PDF file or in hardcopy to Dekanin der Medizinischen Fakultät Carl Gustav Carus der Technischen Universität Dresden, Frau Prof. Dr. med. Dr. E. Troost, Fetscherstr. 74, 01307 Dresden (meddekanin@mailbox.tu-dresden.de). For further details concerning the required application documents please see the homepage of the Faculty of Medicine or contact the dean’s office (Dr. Janetzky, +49 351-458-3356), the Equal Opportunities Officer of the Faculty of Medicine (Dr. Valtink, +49 351-458-6124) or the representative for persons with disabilities (Ms Vogelbusch, +49 351-458-12127).

TU Dresden understands diversity as culturally self-evident and a quality criterion of a university of excellence. Accordingly, we welcome all applicants who would like to commit themselves with their performance and personality to us and with us for the success of all. TU Dresden is strongly committed to the goal of a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate’s partner.
