

TUD Dresden University of Technology, as a University of Excellence, is one of the leading and most dynamic research institutions in Germany. The Faculty of Medicine and the Dresden University Hospital work closely together as partners and are committed to excellence in high-performance medicine, medical research and teaching, and patient care for the entire region. The University Medicine Dresden is a modern employer and offers attractive working conditions to all employees in teaching, research and patient care, technology and administration, thus promoting and developing their potential. TUD embodies a university culture characterized by cosmopolitanism, mutual respect, flourishing innovation, and active participation. For TUD, diversity is an essential characteristic and a quality criterion of an excellent university. Accordingly, we welcome all applicants who wish to commit themselves, their achievements, and their productivity to the success of the whole institution.

The Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus of TUD Dresden University of Technology invite applications for the

Chair (W3) of Dermatological Oncology

to be filled as soon as possible.

The chair is affiliated to the Department of Dermatology and is intended to continue and expand the existing expertise in the field of dermatological oncology. The focus of the chair includes the development of clinically oriented and basic research projects in dermatooncology, as well as the initiation of and participation in (inter)national clinical studies, including with the pharmaceutical industry. As a future professor of dermatological oncology, you (m/f/x) will work on the tasks associated with this position in an interdisciplinary concept and also cooperate with the Cluster of Excellence Center for Regenerative Therapies Dresden (CRTD) and the University Cancer Center (NCT/UCC). In your tasks, you will take appropriate account of gender- and diversity-related aspects, including in your research questions and treatment concepts. The chair is associated with a senior physician function and the management of the Skin Tumor Center at the Department of Dermatology.

As the future position holder, you are nationally and internationally known as a research personality in dermatological oncology, both with your successful, internationally visible publication activity and corresponding experience in acquiring third-party funding and your experience in conducting clinical studies. You also have appropriate leadership and management experience. We also welcome the fact that you will inspire our students with your teaching concepts for your subject and look forward to your commitment to the promotion and training of young clinical scientists and to academic self-administration. Your tasks in patient care and teaching require a good knowledge of the German language.

Appointment requirements include a completed degree in human medicine, a doctorate, habilitation or equivalent achievements, pedagogical aptitude and knowledge of university didactics as well as a board certification in dermatology. In addition to the general requirements under public employment law, applicants must fulfil the employment qualification requirements of § 59 of the Institutions of Higher Education Act in the Free State of Saxony (SächsHSG).

The employment of professors with medical tasks is generally carried out within the framework of non-tariff employment contracts with basic remuneration as well as performance and success-dependent remuneration components.

The Faculty of Medicine strives to employ more women in academia and research. We therefore expressly encourage women to apply. The University is a certified family-friendly university and offers a Dual Career Service. We welcome applications from candidates with disabilities. If multiple candidates prove to be equally qualified, those with disabilities or with equivalent status pursuant to the German Social Code IX (SGB IX) will receive priority for employment. If you have any questions about these topics, please contact the Equal Opportunities Officer of the Faculty of Medicine (Dr. Valtink, phone +49 351-458-6124) and the representative for persons with disabilities of the Faculty of Medicine (Ms Vogelbusch, +49 351-458-12127).

We look forward to receiving your application **by June 23th, 2024** in electronic form as a single PDF file or as a hard copy to Dekanin der Medizinischen Fakultät Carl Gustav Carus der Technischen Universität Dresden, Frau Prof. Dr. med. Dr. Esther Troost, Fetscherstr. 74, 01307 Dresden (medberufungen@mailbox.tu-dresden.de). For further details concerning the required application documents please see the homepage of the Faculty of Medicine or contact the Dean's office (Dr. Janetzky, +49 351-458-3356).
