Dresden,

Letter of Recommendation

To whom it may concern

Mr / Ms _____

born _____ in _____

has been enrolled at TU Dresden, Carl Gustav Carus Faculty of Medicine

since _____

At present he / she is enrolled in the _____ year of study.

We know his / her academic and clinical ability to be below average / average /
above average .

He / she is a student in good standing and fluent in English.

Since he / she has acquired basic medical knowledge both theoretically and practically he /
she will certainly cope with the work involved in an elective at your hospital and benefit a
great deal from this experience.

I support without reservation this student's application for an elective at your department.
