

Curriculum (3rd to 5th year of study) valid from academic year 2020/21

3rd year of study (5th semester = winter semester; 6th semester = summer semester)			
Semester	Subject	ECTS	Course
5th	Pathology (LN 16)	7,0	DIPOL Course Pathomechanisms
	Clinical Chemistry, Laboratory Diagnostics (LN 13)	4,0	
5th	Pharmacology, Toxicology (LN 17)	7,0	DIPOL Course Pharmacology / Toxicology
5th	Forensic Medicine (LN 20)	1,5	
5th	Internal Medicine (LN 11)	2,0	Clinical Examination Course
5th + 6th	History, Theory and Ethics in Medicine (LQ 02)	2,5	
6th	Epidemiology, Med. Biometry and Med. Information Technology (LQ 01)	4,0	
6th	Hygiene, Microbiology, Virology (LN 10)	6,0	DIPOL Infectiology
	Infectiology, Immunology (LQ 04)	3,5	
	Clinical-Pathological Conference (LQ 05)	0,5	
6th	Medical Emergencies (LQ 08)	4,5	DIPOL Medical Emergencies
6th	Medical Imaging, Radiotherapy, Radiation Protection (LQ 11)	2,0	
6th	Health Economics, Health System, Public Health (LQ 03)	1,0	
4th year of study (7th semester = winter semester; 8th semester = summer semester)			
Semester	Subject	ECTS	Course
7th	Surgery: Cardiac Surgery, Surgery of Chest, Vascular Surgery (LN 05)	1,0	DIPOL Course Heart – Circulation – Lung (HKL)
	Internal Medicine: Cardiology, Angiology, Pneumology (LN 11)	7,5	
7th	Dermatology, Venerology (LN 06)	4,0	DIPOL Course Skin – Muscle – Joints (HMG) and Internship Dermatology
	Internal Medicine: Rheumatology, Infectiology (LN 11)	1,5	
7th	Rehabilitation, Physical Medicine, Treatment in Natural Medicine (LQ 12)	1,0	
7th	Human Genetics (LN 09)	2,5	
7th	Gynaecology (LN 07)	2,0	

7th	Psychiatry and Psychotherapy (LN 18)	2,5	
7th + 8th	General Medicine (LN 01)	1,0	
(6th+)7th+ 8th(+9th)	Clinical Pathological Conference (LQ 05)	2,5	
7th+8th (+9th)	Pain medicine (LQ 14)	0,5	
7th or 8th	Internal Medicine (LN 11)	1,5	Internship (bedside teaching)
8th	Surgery: Visceral Surgery (LN 05)	2,5	DIPOL Nutrition, Metabolism, Excretion (ESA)
	Internal Medicine: Metabolism, Endocrinology, Nephrology, Gastroenterology (LN 11)	5,5	
8th	Urology (LN 21)	1,0	
8th	Surgery: Visceral Surgery (LN 05)	0,5	DIPOL Onkology (ONKO)
	Internal Medicine: Haematology, Oncology (LN 11)	3,0	
8th	Urology (LN 21)	0,5	
8th	Paediatrics I (LN 12)	3,5	
8th	Paediatric Surgery (LN 05)	1,0	
8th	Palliative Care (LQ 13)	1,5	
5th year of study (9th semester = winter semester; 10th semester = summer semester)			
Semester	Subject	ECTS	Course
9th	Anaesthesiology (LN 02)	3,0	DIPOL Course Emergency Medical Aid, Injuries, Intensive Care (NVI)
	Surgery: Trauma Surgery (LN 05)	3,0	
9th	Ophthalmology (LN 04)	1,5	DIPOL Head
	Otorhinolaryngology (LN 08)	1,5	
	Surgery: Neuro Surgery (LN 05)	1,0	
9th	Clinical-Pathological Conference (LQ 05)	0,5	
9th	Occupational medicine, Social medicine (LN 03)	1,5	DIPOL Preventive Medicine
	Prevention, Health promotion (LQ 10)	1,5	
	Clinical environmental medicine (LQ 06)	1,5	
9th	Psychosomatics and Psychotherapy (LN 19)	2,0	
9th	Neurology (LN 14)	2,0	
9th	Paediatrics II (LN 12)	4,0	
9th	Orthopaedics (LN 15)	2,0	
10th	Clinical Pharmacology (LQ 09)	2,5	
10th	Geriatric Medicine (LQ 07)	1,5	

10th	Bedside Teaching General Medicine (LB 01)	2,5	
10th	Bedside Teaching Surgery (LB 02)	4,0	
10th	Bedside Teaching Paediatrics (LB 03)	2,0	
10th	Bedside Teaching Gynaecology (LB 04)	2,0	
10th	Bedside Teaching Internal Medicine (LB 05)	2,0	
10th	Bedside Teaching Ophtalmology (LN 04)	1,5	
10th	Bedside Teaching Otorhinolaryngology (LN 08)	1,5	
10th	Bedside Teaching Neurology (LN 14)	1,5	
10th	Bedside Teaching Orthopedics (LN 15)	1,5	
10th	Bedside Teaching Urology (LN 21)	1,5	
10th	Bedside Teaching Psychiatry and Pschotherapy (LN 18)	1,5	
10th	Bedside Teaching Psychosomatics (LN 19)	1,5	
6th, 7th, 8th, 9th or 10th	Elective Course	2,0	
in 7th, 8th or 9th	Practical Training Day	6,0	
in 3rd to 5th year, in total	4 months Clinical Elective	28,0	
Total ECTS for the clinical part of study		180,0	

In case that you have to pass an examination in one or all of the highlighted subjects, please note that you have to attend to all subjects of the same colour in internal medicine and surgery. There is a total exam at the end of the semester, no individual exam. The allocation of individual subjects is only possible if no examination has to be performed.

 Surgery I (Visceral, Thoracic, Vascular, Cardiac and Paediatric Surgery)

 Surgery II (Trauma Surgery)

 Surgery III (Neurosurgery)

 Internal Medicine I (Cardiology, Pneumology, Angiology, Rheumatology, Infectiology)

 Internal Medicine II (Metabolism, Endocrinology, Nephrology, Gastroenterology, Haematology, Oncology)
