

Curriculum Vitae

1. Personal information

Wanke, Stefan J.U., Prof. Dr. rer. nat. habil

Nationality: German, French (dual citizenship)

Date & place of birth: 06. October.1976 Düren, NRW, Germany

Family status: married since 2002

Office Technische Universität Dresden
Institut für Botanik
Zellescher Weg 20b
D-01062 Dresden, Germany

phone: +49 (0) 351 463 34281

fax: +49 (0) 351 463 37032

email: stefan.wanke@tu-dresden.de

2. Professional and scientific career

- 2018 Member of the Academy of Science, Leipzig (Mitglied des Jungen Forums der Sächsischen Akademie der Wissenschaften zu Leipzig)
- 2017 Appointment as Professor (APL Prof. mit allen mitgliedschaftlichen Rechten der TUD)
- 2012 Appointment as "Privatdozent" (~Assistant Professor) at the TU Dresden, Germany
- 2016 Short-listed for the J. Robert Stiffler Distinguished Professorship in Botany, Old Dominion University, Norfolk, Virginia, United States
- 2014 Short-listed for the Professorship of "Higher Plants and Curator of the Botanical collections" at the Natural History Museum of Denmark and the University of Copenhagen, Denmark
- 2012 Short listed for the Professorship "Plant Molecular Evolution and Systematics and director of the herbarium" at Leipzig University, Germany
- 2012 Habilitation (Botany) at the TU Dresden, Germany
- 2008 "Akademischer Assistent" at TU Dresden, Germany (Prof. Dr. Christoph Neinhuis)
- 2008 Research group leader and head of the molecular labs at TU Dresden, Germany (Prof. Dr. Christoph Neinhuis)
- 05 – 12/2007 Postdoc at the Institute for Molecular Evolutionary Genetics and Huck Institute of Life Sciences, Pennsylvania State University, USA (Prof. Dr. Claude dePamphilis)
- 01 – 04/2007 Postdoc at the Botanical Institute TU Dresden, Germany (Prof. Dr. Christoph Neinhuis)

01/2007	Dr. rer. nat. (summa cum laude), - referees: Prof. Dr. Christoph Neinhuis, Prof. Dr. Thomas Borsch (Berlin), Prof. Thomas Speck (Freiburg) Title: Evolution of the genus <i>Aristolochia</i> - Systematics, Molecular Evolution and Ecology
01/2004 – 01/2007	Research associate at the Botanical Institute TU Dresden, Germany (Prof. Dr. Christoph Neinhuis)
2003	Dipl. Biol. at the Rheinische Friedrich-Wilhelms-Universität Bonn, Germany cumulative grade: 1.2; thesis 1.0 (referees: Prof. Dr. Wilhelm Barthlott, Prof. Dr. Christoph Neinhuis)
1998 – 2003	Diploma student in biology at the Rheinische Friedrich-Wilhelms-Universität Bonn, Germany
07/1997 – 08/1998	Civil service at the Zoological Research Museum Alexander König (ZFMK), Bonn, Germany

3. Service for the scientific community

- Panel member 'Internationalization' of the TU Dresden in the framework of the institutional strategy of the TU Dresden "The Synergetic University"
- NWO (The Netherlands Organization for Scientific Research), reviewer since 2009
- Dutch Research Council, reviewer, since 2009
- FWO (Research Foundation Flanders, Belgium), reviewer since 2012
- Advisory Board Open Ocean Center Dahab, Egypt
- Advisory Board Turkish Journal of Botany
- Editorial Board Acta Botanica Mexicana
- Associate Editor Molecular Phylogenetics and Evolution
- Associate Editor Frontiers in Plant Science
- Section Editor Phytotaxa
- Consulting committee German Genbank Ornamental Plants, Bundessortenamt
- Member of the Young Academy of Science, Leipzig
- Academic Supervisor Graduate Academy TU Dresden
- Scientific journals: Acta Botanica Hungarica, African Journal of Plant Sciences, American Journal of Botany, Annals of Botany, Annals of the Missouri Botanical Garden/Novon, Australian Journal of Botany, Biochemical Genetics, Biological Journal of the Linnean Society, Botanical Journal of the Linnean Society, Evolutionary Bioinformatics, Genome, International Journal of Biodiversity and Conservation, International Journal of Plant Sciences, Journal of Biogeography, Journal of Experimental Biology, Journal of Plant Research, Journal of Systematics and Evolution, Kew Bulletin, Meta Gene, Molecular Phylogenetics and Evolution, Molecules, New Phytologist, New Zealand Journal of Botany, Nordic Journal of Botany, OIKOS, Phytotaxa, Plant Systematics and Evolution, Preparative Biochemistry and Biotechnology, Systematic Botany, Taxon, Tropical Conservation Science, Turkish Journal of Biology, Turkish Journal of Botany

4. Professional memberships

- Young Member of the Academy of Science, Leipzig (SAW)
- American Society of Plant Taxonomists (ASPT)
- Botanical Society of America (BSA)
- Deutsche Botanische Gesellschaft (DBG)
- Deutscher Hochschul-Verband (DHV)
- Friends of the German Academic Exchange Service (DAAD)
- International Association of Plant Taxonomists (IAPT)
- International Parasitic Plant Society (IPPS)

5. Online available track-record information

- Google scholar profile
