

GET CONNECTED!

NETWORKING FOR SCIENTISTS

19 September // 3:00-6:00 PM

Dr. Stephanie Rohac

INTERACTIVE WORKSHOP

- Get to know each other in a highly interactive way.
- Get to know each other personally.
- Develop a short & structured as well as personal & professional pitch.
- Enhance your awareness for the "short, but necessary" small talk.
- Actively try out your new networking skills.
- "Warm-up" for the upcoming week, feel empowered & motivated to work within the other participants.
